OCTOBER OFFERS

USED SPREADERS—
Do you realize that you save money by owning your own fertilizer spreader? Why?
Because, the settings you are familiar with will be constant because no one else uses it. You will not waste 25 lbs. of material while trying to get the borrowed one adjusted. And last but not least, you will be able to apply the materials at the proper time—not just at the time you can borrow one. In addition, your blood pressure will not rise when you find you can't get one at 3:17 p.m. on the 3rd Tuesday in the month.

These used machines retail for \$29.95 and \$46.95—can be purchased this month for approximately \$15.00 and \$23.50.

SPREADER LOANERS—If you will PLEASE bring back the spreader we loaned to you we can have some to sell. (See previous note).

TORO MOWERS—Didn't you know:
a) That there are many models in order to precisely fit your needs.
b) That for trimming around trees, fences, shrubs and for high weeds a ROTARY is usually the best.
c) That a large lawn of lush grass with small trimming problems makes the reel type more useful.
d) That the ROTARY makes leaves disappear like magic—or magically whisks them into huge bags.
e) That the huge bag mentioned in (d) AND A 7 x 7 TOTE TARP (value \$19.95) are given FREE with the purchase of a ROTARY.
f) That the POWER HANDLE is the most versatile power plant you can buy and operates a REEL MOWER, ROTARY MOWER, SNOW PLOW, TILLER, EDGER AND PUMP.
g) That the time is NOW to buy a TORO.

ROSE MULCHING is made easier and more effective with TWO NEW THINGS:—

1. ROSE GUARD—a one foot diameter ring of 8" aluminum edging—5 for \$3.75.

2. ROSE MULCH—a sterile weed-free form of zonalite which is treated so that it will not absorb water but will protect the plants from extreme heat and cold and will not rob the soil of nitrogen. 5 cu. ft. for \$3.60.

TULIPS—will NOT bloom in the spring, tra-la, UNLESS you plant them this fall, ha-ha!

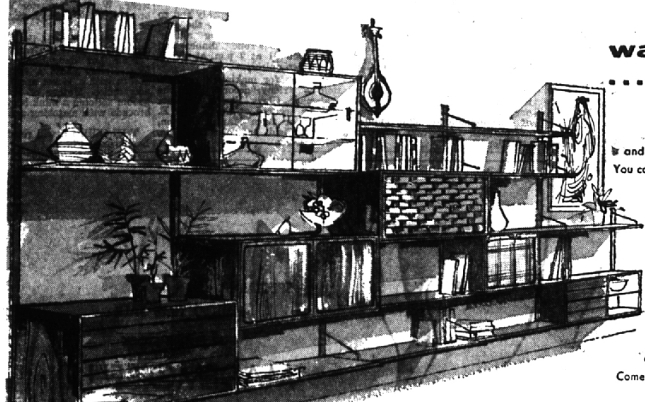

Be sure to buy some little blue things such as Scilla Siberica, Grape Hyacinths, Chionodoxa, etc. to plant with the early species Tulips and with Daffodils & Narcissus.

Try combinations like "Perry Como" and "Queen of the Night" or "Florence Nightingale" and "The Bishop."

OCTOBER 22nd—This is the Saturday you may spend in our "workshop" making dried arrangements. Mrs. Frank Webb will be on hand—not to lecture but to help you. We will be able to supply you with a wide variety of dried things, containers, clay, paints, etc. if you need them.

DON'T FORGET that about the 13th of October, the first showing of Munson MINIATURES will be at our store. "No, Hortense, these are not little people, they are little flowers and birds and other colored things."
