FINAL CLEARANCE

" Joe Marsa.

If you are often baffled by your child's behaviour, a practical "psychologist" is as close to you as your school. That psychologist is your child's teacher.

The average elementary teaches close to the property of the prop

Look for ways to help and encourage him.

If you have an 11 to 17-year-old:
Students in junior high several to know the "why?" of what
they are learning. Teachers and they are learning. Teachers and the facts behind general statements. Your youngster will end to the several properties of the several p
