Did you know... that Birmingham has a specialty shop, the like of which there is no other in Michigan... and only 3 other somewhere similar shops in the entire United States?

The Ball of Wax, Inc., was started by Ralph and Gay Yankee last spring when Gay Yankee tried searching, often fruitlessly, for just the right style of candles to fit the home decor of their interior decorating clientele.

This unusual shop stocks over a thousand varieties of tapered candles, and many interesting decorative candles which are imported from many different countries around the world.

The shop will also hand dip candles to order, any color, any shape.

In addition to the main store on Woodward, Underdown also operates Douglass Exclusive Cleaners on West Maple. The three stores hold this area's sole franchise for the sanitone dry cleaning process.

The Village Feeder, featuring ladies' sportswear from the Village Manufacturing company, is opening at 255 Pierce, former location of the Wine Shop. The store is under the direction of Harvey Rosenberg.

And Regal Seed & Lawn Supply company, of Pontiac, announces a new plant and garden supply branch store.
