Cadillac

Where logic endorses desire!

We doubt that he could tell you himself when the dream took hold in his heart.

Yet, there the dream had been over the years—a Cadillac for his family!

He wanted it, of course, for those very virtues that have made Cadillac the most tempting possession of its time—inspiring beauty... masterful performance... and exceptional comfort and luxury.

And so it was that he found himself—

in this finest of Cadillac years—getting the facts first-hand from his dealer.

And the facts quickly fashioned a remarkable truth: that the move to Cadillac is as logical as it is alluring!

The lowest-priced Cadillac, for instance, actually costs less than a great many models of other makes. And every Cadillac represents a truly extraordinary bargain when considered in terms of value received.

The car is, so soundly crafted that it has reduced maintenance to the minimum. And a Cadillac is held in such regard that it commands a front-rank position in resale markets across the land.

Little wonder that he decided this was a time for action—just as we know you will once the facts are at hand.

And they are no farther away than your nearest Cadillac dealer.
