Plan to Give Scholarship

WESTCHESTER—Mrs. Hal Twyman and Mrs. Robert Dewar, co-chairmen of the Westchester WNFGA scholarship fund-raising project, hope the carls hold success for the club's venture. The women, members of the Westchester WNFGA, are finishing plans for the Scholarship Bridge Tournament that will be held monthly from September to May. The group hopes to earn enough to give a full scholarship to a deserving student. Mrs. Twyman resides at 3155 East Bradford Drive and Mrs. Dewar at 3045 Middlebury.

NOW look for the Andersen Name on the Windows

Be sure you look for the Andersen name on the windows when you look for a new home. The builders who use Andersen care about quality construction throughout their houses.

They're more than 5 times as weather-tight as the commercial standard. In fact, so little wind and cold leak through, you can cut heating and air conditioning bills up to 25%.

Be cautious about windows. Ask your builder why Andersen Windows perform so much better than others. He'll be glad to tell you and let you see for yourself.

The Andersen Casement window shown (one of 7 styles) opens out wide and closes tight.
