

Each of us, in some divinely mystic way, receives momentary flashes, or 'inner glimpses' of answers to vexing problems...

Horseback Riding Mishaps Fatal to 2 Bloomfield Girls

Two 15-year-old Bloomfield girls were victims to similar horseback riding fatalities within a four-day period. The victims are Judy Anne Bratton, 3855 Lane Lake Road, Bloomfield Hills...

Mrs. Francis C. Reith, two brothers, Francis C. Jr. and Charles Crouse, and the maternal grandmother, Mrs. C. S. Wallace of Holt, Mich., were in the house...

High School student and a member of the Aiken Riding Club at Oakland, she suffered a rupture of the spleen when she was thrown from her horse at about noon Saturday...

JUDY WAS a Bloomfield Hills girl. She was riding at the Bloomfield Open Hunt Tuesday morning when her horse tripped, turned over and crushed her to death...

This and That

by George R. Averill. KINDNESS IS THE WORD. 'What is the real good?' I asked in a missing mood...

Many of you may remember the name of Herbert Herzberg, until a couple of months ago Birmingham's city planner who now is engaged in learning the art and science of property appraising...

Frequently writers refer to both sexes, for example, 'the young man or woman' or 'the young man and woman'...

A couple of weeks ago I journeyed over to Greenfield Village, that most fabulous environment of early America, plus that equally most interesting and educational place where Henry Ford fabricated his first motor car...

HE SLAMMED on the brakes grabbed his son, jumped out of the truck and ran into the Birmingham police station. 'They thought I was kidding,' Lewis said, 'when I told them my son was in the car with the smokes themselves. Then they called the fire department.'

COMMISSIONER Carl F. Ingraham said the city planner should not feel any obligation to the plan board. He left in January, 1959, when he started as a planning aid. He left in January, 1959, to serve six months in the Army...

Committee Aids B of E In Election Proposals

Some 30 Birmingham residents are serving on an advisory committee to assist the Birmingham Board of Education in arriving at a slate of proposals for a special school election.

APPOINTMENT of the committee is a step in the board's plan to determine the future operating and building needs of the future.

These proposals will be submitted to the voters in a special school election in November. According to Walter Pie, administrative assistant, a series of things that have been developing over a period of time make the election necessary.

INSTALLLED BY the State Highway Department, the lights begin to flash alternately to indicate that it will be impossible to catch the green light at the intersection.

RE SLAMMED on the brakes grabbed his son, jumped out of the truck and ran into the Birmingham police station.

See Fire, Stops Truck, Sounds Alert. Horatio Lewis was driving his By-Dee Wash (Detroit diaper service) delivery truck north on Pierce Sunday afternoon, August 13.

With him was his two-year-old son, Terry. At the corner of Pierce and Merrill, he saw smoke raising from four air pockets on the roof of the building.

The money they have earned will enable several of them to return to college this fall or next spring. They have been assigned tasks that are "really tough," according to City Forester Harvey Ratch of the Department of Parks and Forestry.

COMMISSIONER William H. Burghum who felt that the program would help not only the boys but also the community. The city commission approved his proposal July 10.

Birmingham Names New City Planner

By KEN WEAVER News Editor. William Brownfield, Birmingham resident and an employee of the Royal Oak planning department, is Birmingham's new city planner.

LEGAL COUNSEL Dean Beier submitted the proposed measure to commissioners Monday night. It contains amendments, deletions and additions designed to meet local needs.

City Ponders Traffic Code Ordinance

COMMISSIONER Robert Page felt that the appointment should be referred to the plan board for its consideration "as a courtesy" to the city charter.

CONSTRUCTION of a three-story wing addition to Cranbrook Institute of Science is expected to begin this summer.

Cranbrook Plans New Wing for Science Building

CONSTRUCTION of a three-story wing addition to Cranbrook Institute of Science is expected to begin this summer.

THE NEW wing will extend westward from the present structure and will harmonize with it in materials and lines.

B'ham Needs \$12,000,000 For Roads

BIRMINGHAM'S highway needs within the next 20 years are estimated at \$12 million.

THE PLANETARIUM wing will be added in 1957. The planetarium wing was added in 1955.

They were fishermen who might like to have Gordie's secret. Just the other day, he returned to headquarters and poured out his hip boots. Six carp flowed out, along with the water.

since the board and planner will be working together closely. 'I think this should be normal procedure for something like this,' Page explained.
