

Beverly Athletic Club Foiled by Weatherman

BEVERLY HILLS — The vote was unanimous when the Beverly Hills Athletic Club proposed Saturday adult nights to the members but no one polled the weatherman. Result? The members who planned parties around the Saturday splash were frozen out once rain fell on Tuesday.

The Tom Raleighs of Beechwood simply switched to a "cook-in" that Saturday. The Rudolph Belians of Warwick had better luck on Aug. 12. The John Grady of Beechwood who took their turn last Saturday had the luck of the Raleighs. But nothing dampened the enthusiasm of the George Sudz of Devonshire who made all these parties, the William Norms of Hillcrest and William Gilmore of Waltham who joined the late Mr. or the Tom Devines of Buckingham who joined the Belian party.

The first adult swim night, Aug. 5, was also the date the new club flag was raised, thanks to King Robby of Lecherer. President Ed Dolan of Carleider said the flag will fly till the official Labor Day closing, though the pool will re-open on weekends warm enough for swimming. Other BHAC plans include entry in the Suburban Swim League next year. Time trials for 8 to 12 year-olds were held Aug. 13. The 15 to 18-year-olds will be timed next Saturday.

The BHAC board also voted thanks to Charles Dotterer Jr. of Reedmers who officially resigned at last week's board meeting to move to Metchum, N. J. where he will manage manufacturing engineering for the Falcon-Comet division of Ford Motor Co. One of the BHAC "founders", Dotterer had had little time to enjoy his "crinchild." In June he was sent to Europe on company business while July was saved for a family vacation at Lake Louise, Mich.

SOUTH BERKSHIRES — No more suitcase living for the Russell H. Harringtons. After a late June vacation at Upper Long Lake and Traverse City and frequent weekends at Bay City, they're back on Woodhams to stay. Next Saturday they've invited 35 to a birthday luncheon for Russ who will be six the following Tuesday.

Dr. and Mrs. B. Schiffer of Vernon took a week recently to see Quebec City, swim at Tadoussac and cruise the Saguenay.

The Albert P. Burkes of Vernon invited 20 of the family to a birthday dinner last Sunday for "her" mother, Mrs. William Schmidt, who was 75 that day. The James A. McKees came from Mansfield, Ohio, for the occasion. Other guests were from the Detroit area.

WEST BEVERLY — Look for the Vince Provenzano home on Chelsea when ads for the '82 cars break on TV. One of the big companies liked their grounds so much they filmed commercials there till 3 a.m. recently! New Yorkers, Mr. and Mrs. Joe Leo, coming for a visit the next day were delighted

gave a buffet supper recently honoring Mazr, Clarence Duhart, C.S.R., who is paying his second visit since his appointment as Bishop of Thailand. Some 90 guests were invited to the reception along with his lifelong friend, the Rev. Roger Godbout, C.S.R., who leaves for Bangkok shortly. Co-hostesses were her sisters, Miss Ellen Duhart of Beverly and Mrs. Charles Ingherwood of Detroit. Guests saw the slides of Thailand he is using while crossing the country on a mission appeal.

Several new families have come to the village recently but they're not really "newcomers."

At 16000 Amberly, Mr. and Mrs. H. F. Cochran. They lived on Adams Road until their move two years ago with Linda, 16; Hugh, 12; Jennifer, 2.

At 15751 West 14 Mile, Mr. and Mrs. Louis Larson and Dalores. Until his recent retirement he was caretaker at Cranbrook House. Miss Larson teaches at Waterford.

At 16925 Marguerite, Mr. and Mrs. Ross Bollinger. They're former Royal Oak couple. He's with the implement division of Ford Motor on 14 Mile; she with Birmingham Federal Savings and Loan.

No wonder Mrs. Thomas L. Harrison of Birwood was asked to model at the Lost Lake Woods cabin-owners card party and luncheon. The committee made their selections on the beach where a "perfect size" is easily spotted.

The William Shiveleys of Georgina spent two weeks at Macatawa on Lake Michigan before arriving home via Hubbard Lake where they saw the William Heathcotes and the Rev. Robert Grahams family of Buckingham vacationing at "The Hardwoods," the James Caldwell's of Bloomfield Hills estate.

Last Saturday the Shiveleys invited friends of the Richard Driessnacks of Pierce for cocktails

Office Equipment Stolen in Southfield

SOUTHFIELD — Office equipment valued at about \$1,200 was stolen sometime Monday night or early Tuesday morning from a Southfield firm, according to Southfield police.

Burglars broke a plate glass window to gain access to J. E. Mertaugh Associates, 28600 Northwestern Highway.

Several new families have come to the village recently but they're not really "newcomers."

Twelve days of continuous rain brought the Roy Kidneys home to Pierce a week early (Aug. 4) from his summer abroad but didn't spoil a long-planned trip with Royann, 15 and Michael, 11. They sailed from New York June 4 after three days' sightseeing.

When the Rotterdamers docked at LeHavre, their Volkswagen awaited for two months motoring on the continent, Denmark, and the British Isles.

Mrs. James O'Callaghan of Marquette invited eight to a family dinner a fortnight ago to bid bon voyage to her mother Mrs. Leo E. Collier of Detroit who sailed for Europe recently. All this while newswatching for last week's column which she guest-wrote so well.

BEVERLY HILLS — Mr. and Mrs. Warren Risk of Warwick Drive are looking forward to an interesting year since the arrival of a guest Tuesday morning. He is AFS student Hans Jurg Kupper of Flunenthal, Switzerland, who will be a student in the first senior class at Groves High School. Brother-to-be is the Risks' son, Bruce, 17, who will also be a senior this year at Groves.
