## Birmingham-Bloomfield Hills Society Notes

By JOYCE KLARR MI 6-1358

Revolution in Birmingham? Not quite. That thunder in the distance is the sound of families returning to town. Some of our localities are back from a summer of touring, others have been back at their summer homes, resorts or clubs.

Most of the noise however, is coming from our children who are returning from vacations or in the process of being bailed out of summer camp about now.

Our two daughters have just returned from a month of exploring and fishing in Wyoming and Montana and my teen ager has informed me that the only thing she wants for Christmas is a light gauge shot gun for upland shooting. Now, if I can just get her interested in combing her hair!

This whose reverse hagra is characteristic of this time of year, comes one week from today our schools open. (do we hear cheers?) One B'ham lady I know, who shall remain nameless, is quietly planning a victory luncheon for herself and other mothers who have finally entered their last child in school.

With the pleasure of reopening pools comes the pain of assembling wardrobes for our offspring. I understand the kindergarten set wants to dress like Carolyn Kennedy while the teenagers want to

look like her mother. The proposition can be a real budget buster. I can imagine getting a daughter ready for college. One thing we mothers of girls should be thankful for is Julie does NOT have a college shop!

No doubt about it, September is busy. Daily arguments with the children about wearing their spanking new sub zero clothing when the thermometer registers 80 heads of committee calling, asking "will you serve", winter activities and calendar of events being set up and of course, putting away summer clothes. Fortune magazine was describing this last bit they would probably say that the Bloomfield Hills mothers burn the kiddies summer outfits - laundry bags and all! (not a bad idea at that.)

Now that we think of it, there is a lot to be said for life among the Flits.

### Down on the Farm

Mr. and Mrs. Fred Matthaei, Jr. have invited a large group of their friends for a day at the Matthaei farm in Ann Arbor. An Olympic games set up will provide the older young set with just about anything they could care for in the way of outdoor activities.

Mrs. Maxwell Peard and children invited Robert Muzzy and Roland Bernits to bring their kiddies up to their place in the wilds of Canada for the week end.

Mr. and Mrs. Richard Guilford of Auburn drive will move shortly into their new home on Westwood.

A sure sign of fall are the night lights being lit at the St. Dunstan playhouse on Lone Pine road. Try outs are being held for their opening show "Send Me No Flowers". Rehearsals will begin as soon as casting is complete with Mrs. Frank Donegan as director.
