Fire Fighters Plan Warm-Hearted Project

WALNUT LAKE—Sirens, bells and horns will announce the arrival of the West Bloomfield Township fire department Saturday as they canvass the neighborhood on their annual Goodfellows Christmas drive. All the new young firemen with the department and several local teenage boys will cruise the southeast corner of the township distributing papers and collecting donations to see how many needy families they can help to have a happy Christmas.

Several local teenage boys, some the sons of firemen, have volunteered their help on this project and several teenage girls will cook and serve breakfast to the group early Saturday morning.

Cub Scout Pack 41, Ottawa district, held their next meeting Nov. 27 at Walnut Lake School. "Magic" was the November theme and several dens performed fetes of magic. Robert Goodie entertained the Cub Scouts with "Magic in a Subtle Manner."

New Cubs in Pack 41 are Robert and Kim Pavkovich and Robert Dwyer. Steve and Larry Driver, Craig Weiss and Brent Spriggle graduated into Webelos. Den 1 was awarded the attendance banner; Den 5 earned the honor award and Den 6 earned the inspection award.

The entertainment committee of Walnut Lake Subdivision Two is planning a New Year's Eve party to be held at the VFW Hall in Keego Harbor. An orchestra has been engaged for dancing and a midnight supper is being planned.

The New Year's Eve party is one of a series of parties sponsored by Subdivision Two and fund-raising projects. The proceeds will be used next summer to improve beach facilities. The entertainment committee recently sponsored a spaghetti dinner and a dinner-dance as fund-raising projects.

Chairman of the entertainment committee is Dave Deig who is being assisted by Earl Dwyer, Don Haines, Mrs. Don Haines, Harry Mullins, John Welker, Jay Winslow and Vern Nelson.

The entire staff of Walnut Lake school along with their respective spouses gathered last week at the home of Mr. and Mrs. Corey M. Van Fleet, Jr. of Magnolia Blvd. to partake of their annual pheasant and duck dinner.

Again this year Bill Post, teacher and well-known sportsman in this area, furnished and cooked all the birds. Another dish traditionally served at the annual dinner is sauerkraut, the home made kind. This was made by Mrs. Albert Schumm, wife of the school principal.

Some 45 members of the Walnut Lake Women's Club gathered Tuesday evening in the multi-purpose room at the new West Bloomfield Township library for their annual Christmas dinner party. The Women's Club was the first group to use the multi-purpose room at the library which also serves as a community center.

For this festive first occasion club members spent most of Tuesday decorating the library with Christmas trimmings which included an aluminum tree. At party time they all arrived with gifts to exchange and their favorite dishes to place around the turkey.

Mrs. Harold Jacobson was chairman of the party. She was assisted by Mrs. Dwight Butler, Mrs. Joseph Anderson, Mrs. Jack Bell, Mrs. Howard Pascook and Mrs. Elmer Speicher.

"We Serve The Suburbs"

With permission of C. R. Ely & Sons, Inc., the Torrence Oil Company is pleased to publish the following letter as an announcement of expansion of Torrence service in the suburbs.

Dear Customer

For the past decade, C. R. Ely & Sons, Inc., has served fuel oil customers in Walled Lake and environs. We have had most pleasant business relations with you during that period.

This letter is to announce that we have now sold our Walled Lake plant, at 1121 Decker Road, to the Torrence Oil Company of Birmingham, who will maintain and improve it, and will continue the high type of fuel oil service to which you have accustomed.

We are proud that the Torrence Oil Company becomes our successor in this area, just as we are proud of our own long record of service. We believe that the sale of our Walled Lake plant and equipment to this well known company assures continuation of fast and efficient fuel oil delivery, and emergency and other service for which the Torrence Oil Company is noted.

It will mean continuation of the distributing center in Walled Lake and retention of valued employees, Mr. Alfred C. Porritt, Jr., and Mr. William E. Bailey, who, as of December 1, 1961, become members of the Torrence organization.

Very truly yours,

C. R. Ely & Sons, Inc.
