AMARYLLIS (Hippeastrum) Definitely over-bought Regular price—\$4.75 SALE PRICE—\$2.50 Huge, hybrid bulbs in separate colors. White—pink—red—orange. Will produce up to 14 flowers about 6" to 8" in diameter. With modest care they'll last for years. Honestly, these are the best buy of 1961. The second best buy of the year is the smaller Amaryllis Bulbs—not at 85c each perhaps—but certainly at \$2 for \$1.25. HAND PAINTED 2-QUART WATERING CANS constitute the third best buy for 1961. These beautiful cans with long spouts are usually sold for \$3.50—and still would if it were not for the fact that they contain tiny blemishes. Some of the blemishes are very difficult to find. However, they are there so the "getting rid of" price is \$2.50 each. McCLELLAN-BALL CO. EVERYTHING FOR THE YARD AND GARDEN Phone MI 4-4133 850 S. Woodward, Birmingham, Michigan
