

Is there some person, or persons, to whom you owe a letter? Aware of this, it now then comes to mind, and this often results in adding to your own day's mental burdens—so why not resolve, now, to get off that letter, even just a note, to that person? Every delay makes the mental burden heavier. Actually, friend, what real, acceptable excuse can one have for failing to write a long overdue letter?

## Friends of Deaf Diver Send Him to Olympics

By VELMA McCANE  
Walnut Lake Correspondent

WALNUT LAKE—Here's a story that shows what sound citizens most of our teenagers are.

In West Bloomfield Township, Donnie Morris, deaf since birth, won a place on the Olympics for the handicapped diving team. But he needed cash to go to Helsinki, Finland, where the Olympics will be held.

So Donnie's friends, which include just about every teenager in the Walnut Lake area went to work!

THE GIRLS organized a profit-making sale, the boys opened a car wash business.

A West Bloomfield fire truck, driven by fireman Vera Kirby, was driven door to door selling fares.

This project was chaired by Mrs. Richard King.

A street dance in front of Walnut Lake School was attended by friends and neighbors who made generous donations. Coffee was donated by the local grocer, lights and other necessary items by the other merchants across from the school.

## Assigned to Flight

Carol Krehling, daughter of Mrs. Helen Krehling of Beverly Circle, Birmingham, is a recent graduate of the Trans World Airline Flight Hostess School in Kansas City, Mo., and has been assigned to Skyliner flights from LaGuardia Airport in New York City. She attended Western Michigan University in Kalamazoo.
