

## Home Owners Elect Officers

Officers and committeemen were elected at the annual meeting of the Fairfield Property Owners' Association at the Community House last week.

Allen Harwood, 1532 Bates, was named president of the group. Other officers are Mrs. Anson Hillborn, 1470 Henrietta, vice president; Mrs. Carl Hill, 1106 Pierce, secretary; and Sidney Cook, 1570 Bates, treasurer.

Committeemen include Hill, membership; Mrs. John Wilson, 1226 Bates, legal chairman; Mrs. C. Gas, 1492 Pierce, publicity; and Mrs. John Gills, 1511 Henrietta, representative to the council.

MEMBERS DECIDED to amend the by-laws in order that the area from Pierce to Bates streets between 14 Mile and Southlawn can be annexed into the association.

It was announced that one or more "Recognition Awards" will be presented to the owners of homes within the association's area whose yards are most attractively landscaped and maintained between June 1 and Aug. 1. The judging will be made by a group of local landscape architects.

## Cadillac Visitor

Mayor T. Walter Kelly of Cadillac (second from left) visits the Dodge truck plant in Detroit as part of Mayors' Exchange Day in Michigan, in which he traded positions with Marvin Cline, council president of Beverly Hills. Left to right are C. F. Guilmet, Dodge truck distribution manager; Kelly; Thomas Poirier, Dodge truck plant manager; Leo

Linsenmeyer, 18428 Beverly Road, Beverly Hills, president pro tem of the village council; and James Birch, Cadillac city manager. Guilmet, 19053 Riverside Drive, Beverly Hills, was chairman of the village's mayors' exchange day committee. Mayor Kelly operates a Dodge dealership in Cadillac.

Complete line of WEBER Covered Bar-B-Q Grills

Bar-B-Q Tools... Aprons... Lighters... Fuel... all at Big Discounts.

NEW SUCCESS WITH ROSES The program way

haze dry applied

## Let me show you how to get better roses, more continuous bloom

With roses, the surprising secret of more blooms is—*more leaves!* Now—with the new Scotts Rose Program—it's so easy to keep foliage strong and healthy, even a beginner enjoys success.

This amazing applicator is the key. It's called the Scotts Zephyr, and it's designed to apply new HAZE—Scotts all-in-one protection against insects and disease.

The HAZE container fits snugly in the Zephyr. Nothing to mix, measure, fill or spill. To apply, just point the deflector at the base of the rose bushes, turn the crank gently, and walk along the bed. An atomized dry mist envelops the plant—depositing a nearly invisible HAZE film on both tops and undersides of the leaves.

Come see and save. You'll find these new Scotts Rose Program products at our big success with roses display.

Introductory offer saves you \$5.00. Ask us about it.
