### B'ham Man Heads Musicians League

Walter Schrott, director of the Birmingham Conservatory of Music and Professor of Music at Marygrove College, has been elected president of the Detroit Musicians League for the 1961-1962 season. The league was founded in 1927 for the purpose of advancing professional music teaching in the greater Detroit area. The league features a monthly forum on teaching problems and one musical program by a well-known artist. This year several scholarship funds have been created. One of the prizes will be in honor of the late Carl Beutel, outstanding Detroit teacher and pianist. Grinnell Brothers will again sponsor a contest next spring with prizes for junior high and high school students.
