**Fire Island Apt Site For Housewarming**

**EAST BEVERLY** — Faced with a chilly mid-week holiday, few villagers were lucky enough to get away from it all or hardy enough to enjoy it. Dr. and Mrs. Carl Hask of 13 mile that not even a real fire took the chill off when they flew east for—ironically—a housewarming on Fire Island.

**WEST BEVERLY** — Only the youngsters thought it was unusual to swim in Lake Huron when Mr. and Mrs. Peter Cummins, Jr. of Ingleside opened their At Sable Point beach home Memorial weekend.

The Ivan Strands of Nixon road drove to Kentucky Military Institute to pick up their son. With Cadet Robert they were guests at a yachting and dinner party.

The M. L. Jorgensons of Marlin court drove to Aleda, Ill. to see John honored at Roosevelt Military Academy exercises. He was year book editor, honor court member and a recipient of the highest bar for high academic achievement.

Mrs. Hope G. Scott of Beverly road spent the week in Boston prior to the Hing wedding, returning after the Sunday reception for 400 that capped the ceremony.

The William Ripleys of Bedford spent two weeks in California touring the Laguna beach-La Jolla area and visiting former villa Jolla near Los Angeles.

The Douglas Witters returned from a week's Bermuda cruise only to repack and head for Denver where the American Gas association was convening. Afterwards, they toured Estes Park, Montana and Wyoming. Doug's coming graduation from Wooster college in Ohio means still another weekend away.

Since the Donald Kalmbachs of Bedford had an entire month for shopping, theater-going and seeing New York, they even took time for a Detroit pastime. They saw the Tigers play at Yankee stadium.

After a season in the sun that began Oct. 15, the Hugh M. Hemphills are back on Mayfair lane. With the purchase of a coop in Fort Lauderdale they'll be Floridians half the year now.

Though Miss Laura Shade of West Virginia smashed her hand in a door during her visit to her sister, Mrs. Ellis Brasch of Nixon road, things weren't all for the bad. The accident prolonged her visit a bit.

Shortly after the Frank Van Dorens of Devonshire returned from a visit to the Capitol, their

daughter-in-law and grandson arrived for a visit. They drove them back to Mattson, Ill. where Charles Kevin ("Chuckles as he's called by the fond grandparents he has just met), and his mom will live pending the end of dad's duty in Wiesbaden, Germany.

**EAST BEVERLY** — Tina Bailey of Arlington drive celebrated her

forth-coming graduation with a luncheon and splash party Saturday at the Detroit Women's City Club. Her eight guests, all Our Lady Queen of Marys grads, were: Tina Ellison, Jane Sempowski, Doanne DiLorato, Marianne McLaughlin, Mary Anne Bressat and Beverly Blonde. Mrs. Maynard Bailey got hostess assistance from Mrs. Louis Bressat of Dunblaine.

Tina took bows before graduation as student director of the capella choir and glee club that performed at the final May PTA. Her brother Robert, sponsored by Emil Kraus of Detroit, appeared with the fifth graders, confirmed two weeks ago.

Beverly neighbors of Mrs. Ralph Thraen, who will move to California due to her husband's recent transfer, insist on dealing her in at bridge. Mrs. Gordon E. Stauffer was hostess May 23 at a farewell evening with 12, while Mrs. Loren C. Mills was the hostess June 5.

Another guest at the Stauffer's was his mother who paid a two-week visit enroute to their winter home in Sarasota, Florida to a summer near Blaney Park.

No European jaunts for the Virginia M. Beale of Beverly this year. They're doing their continental cruising in the Mercedes-Benz they purchased abroad last summer. A

frequent trip recently was to the Masonic temple where they attended several operas by the Young Men.

The Donald Conrads of Beverly need every weekend. One's set for canoeing the Little river when Rick and dad join Greenfield's Boy Scout Troop 1010. Grandparents, the William Freights, arrive Monday from Ohio to be in plenty of time to see Donna Jean's Sealholm graduation.

Former resident Mrs. Carl Somschensien of Princeton, N. J. returned to the village on a recent week-end, stopping with the Marcus W. Arthurs of Dunblaine.

The James O'Callaghans of Marquette used the holiday eve for a duplicate bridge party of eight.

Two newcomers (pint-size) arrived on Elizabeth the very same day. The Lawrence Giffords' fourth child, (third girl), Amy Jean was born May 29.

A second son was born May 29 to the William Cloutiers. Robert John is their eighth child; grandchild number 18 for the E. J. Cloutiers of Topper Court.

**School Carnival Will Benefit Scholarship Fund**

**BLOOMFIELD HILLS** — The annual scholarship carnival will be held June 18, noon to 6 p.m., at City and Country School for Gifted Children. The baseball field, decorated in a circus theme, will provide the setting for the affair sponsored by the parents of the students.

There will be entertainment and games with a supervised lot-to-let available for young visitors. Refreshments and dinner will be served.

A 1914 fire engine will provide rides. Donkey rides and a special shows featuring four animal acts will be presented throughout the day. Gun-lovers are offered marksmanship demonstrations.

Prizes include a three-day trip for two to New York and a bicycle. The carnival raises money for scholarships to financially assist parents of talented children, who otherwise could not afford to send their children to school.
