

Local Girls Participate In Girl Scout Project

CRANBROOK VILLAGE—Local Girl Scouts and Brownies did their part in the big do-in's at Northland Saturday afternoon as the Southfield District organization demonstrated the indoor and outdoor skills learned by members.

Brownies from Troop 1071 sang songs and demonstrated a camp games from 2 to 3 p.m. Their leader is Mrs. Ivan Batten and Mrs. Richard Wixom is their assistant leader.

Girl Scouts Troop 75 also took part in the big event.

Assisting chairman Mrs. Cameron Beck, Southfield Neighborhood chairman were Mrs. A. Little of Lathrup and other dedicated chairmen and leaders.

Incidentally, Brownie Troop 1071 will have a new leader next fall. She is Mrs. Bernice Meyers who will be assisted by Mrs. Sid Zwiers.

Mrs. Robert Durward and Mrs. Ralph Pitman, co-leaders of Girl

sort of a pre-birthday party.

Cranbrook Village Homesteaders' Association for subdivisions one, three, four and five has created a social and recreation committee under the co-chairmanship of Mrs. James Russell of Westbrook Parkway and Ray Kottke of Chelmsford.

The committee has already met and set its target: an association dance plus an outing, both in the fall.

Mr. and Mrs. Harland Nordbye of Framingham are enjoying the company of Mrs. Nordbye's mother, Mrs. W. T. Heaps of Illinois, who has been visiting the family for three weeks.

Granddaughter Christine, 12, has just lots of news to exchange with "grandmother" and even Suda, a family poodle, is wearing a very loggy smile these days.

Up and Away

FRANKLIN—A strong wind from the west carried nearly 400 goodwill messages, commemorating Michigan Week, from Franklin School last Thursday. The mass launching, which had several countdowns while teachers frantically unsnarl balloon strings, took place on the school playground.

Each student cast off a helium-filled balloon, bearing a self-addressed postcard and greeting. The youngsters will be watching the mails for the cards which they hope will be returned by the persons in far-flung regions who find them—they want to know the distance their balloons traveled.

Concluded during the month of festivals and the Volks opera in Vienna plus the changing of the guards in London were other exciting events.

Now, the three and their families are looking forward to seeing the 20 rolls of film shot by Mrs. Zatlief during their holiday.

A fish story worth relating concerns the May birthday party of Jeff Wagoner who is now 12 years old. Somehow seven young fellows kept the big secret all the way out to Glen Acres Hunt Club where Jeff had been delivered by his father—all this involving some fancy pick-up service by moon at the back door of Detroit Country Day School while Jeff waited for Dad at the front entrance.

Anyway, Jeff was really surprised and the fun was topped when the boys went fishing. Talk of the town, out Birmingham way is the prize 24 inch, 7½ pound rainbow trout caught by Drex Douglas.

And a swell party was climaxed with dinner at the club and a bit of skeet shooting. Guests, in addition to Drex, were Roger Roe, Rudy Becker, Bowden Brown, Henry Bowers, Bob Davenport, and Jim Schmeier.

Dancers Take Steps To Test Proficiency

LATHRUP—Couples who have studied ballroom dancing, with teacher Manuel Rodriguez since last fall, tested their proficiency at Sylvan Glen Country Club Saturday evening, fortifying themselves first with dinner.

The venturesome pairs were Mr. and Mrs. James Heller, Mr. and Mrs. Walter Baughman, Jr., and Mr. and Mrs. Earl McManis, all of Lathrup; Mr. and Mrs. Jack Bice of Cranbrook Village; Mr. and Mrs. Robert Vogels of Cambridge Village and Baughman's brother and his wife, Mr. and Mrs. George Baughman of Livonia.

The travellers were of course, Mrs. Vincent Zatlief, Mrs. Edward Hines and Mrs. William Reinhard who visited Portugal, Spain, Switzerland, Vienna, Copenhagen, Paris, London and Majorca.

Among the high spots was a cable ride to the crest of a mountain in Grindelwald, Switzerland where an avalanche obligingly performed for them.

A visit to the Royal Ballet in

Little Peter Loftis, son of the William Loftis' of San Jose, celebrated his birthday May 17 with a family celebration. The young man of the house was a five.

Montreal was the location chosen by Mr. and Mrs. C. Reiner for a four-day holiday, shortly before Memorial Day. The Bungalow Drive couple saw the sights and enjoyed the scenery, returning to Lathrup May 28.

When Southfield's All City Orchestra presented its second concert of the season at the high school auditorium May 31, the soloist was pianist Nancy Wilson, 15, Birney Junior High school student. Nancy has another big performance coming up—she is to play for the Kiwanis International convention in Toronto, Ont. in early July.

June 13 is the day the Lathrup Lions Club will install its new officers.

Harry L. Martin, will be the new president. Other officers are: Rudolph Zabel, first vice president; Dr. John D. Rose, second vice president; Dr. Eugene E. Hines, secretary; Dorvil Robinson, secretary; Ernest E. Ladning, lion tamer and Dr. Walter R. Hand, all twister.

New board members are Herbert V. Book and Frank C. Derby; the latter is Lathrup's city clerk.

To late to go to press, we received names of the three hostesses who assisted Mrs. Adam Phillips at the Lathrup Woman's Club annual luncheon at Red Run Golf Club Wednesday. They are Mrs. Howard Hambley, Mrs. Gerald Robinson and Mrs. John McLaughlin. Mrs. John Bachman and Mrs. John Barley won third.

Winners of the Lathrup PTA bridge tournament are—in the couples' group—first, Mr. and Mrs. James MacDonald; second place, Mr. and Mrs. Bernard Robertson and Mrs. Robert Newville.

In the tournament for women, in which 18 teams participated, winners were Mrs. James MacDonald and Mrs. Robert Newville, with second prize going to Mrs. Gerald Robinson and Mrs. John McLaughlin. Mrs. John Bachman and Mrs. John Barley won third.

The J. Paul Smiths of Sunset returned just before the recent holiday from a weekend trip with the Bertam Johnsons who have seen their Lathrup house guests for a month. After visiting Niagara Falls and Toronto, Johnsons headed for Montreal to sail home to England.

Sunday buffet was the Smiths' bon voyage party for the English couple with about 85 guests present to bid the Johnsons well.

Smith and Johnson were boyhood friends in Toronto, England, and the latter has served his town at mayor three times.

The latter part of May signalled the return of three Lathrup ladies to Lathrup, following a 28-day tour of Europe. Missing the arrival of President John Kennedy and the helium kink and queen, the ladies nevertheless report a super trip.

Dandelions vanish, grass grows greener

Nothing can do more to turn a self-respecting lawn into a shambles than a bumper crop of dandelions like we're having right now.

BONUS® makes short work of these persistent pests. Knocks out other ugly weeds, too—like plantain, buckhorn.

At the same time, BONUS feeds grass a steady, protein-building diet. Result? Greener, thicker, stronger turf, unmarred by weeds.

Nice work for just half an hour. But that's all it takes to treat 5000 sq ft with double-duty BONUS and the precise Scotts Spreader.

The time for BONUS is now!
