**"Where's the Best Place to Land?"**

That's a question asked frequently this time of year by yachtmen planning a cruise into unfamiliar waters. It's also a question asked during all seasons of the year by many persons who are not too well versed on investing and investment firms.

Because of our many years of experience, our thorough knowledge of the market, and our reputation for personal service, we believe that Manley, Bennett & Company is the type of "place to land" these investors are seeking.

If you would like to learn some of the reasons why, stop in at either of our offices, at your convenience, or call us.

**Let's Get Right to the Point...**

**GAS HEATS MORE WATER FASTER FOR LESS MONEY!**

Water heaters aren't all alike! Take speed, for instance. Gas heats water faster... fast enough to keep pace with all your hot water needs, including your automatic washer. And, you SAVE when you BUY, INSTALL and OPERATE a Gas Water Heater. Get the facts... ONLY GAS HEATS WATER SO FAST... COSTS SO LITTLE!

**Craftsmanship**

Over the years, the words "Craftsmanship" and "Cadillac" have become synonymous. Most certainly this Cadillac quality is visibly evident throughout the car. Just as surely, it is economically measurable throughout the years. For this excellence of manufacture reveals itself in remarkable operating thrift, and endures to command a premier position in resale markets across the land. And it is but one reason for Cadillac's soundness as an investment.
