

Students Assist U of M Group In Food Drive

By SUE HALLAS
Special Writer

The students of BHHS, for the next week or so, will be cooperating with a group of students from the University of Michigan in the "Tennessee Campaign."

If we have the response such a project deserves, we can help to keep these people from starving which is exactly the case right now for several thousand Negro people there. Publicity and food raising are being handled by all chapters of Phi Sigma Tau. All of us can spare a can of food.

THE AMERICAN Field Service was endeared to students of the high school even more firmly recently in a wonderful assembly of area students, who talked and sang for us, and congregated at various dinner tables, a disappointing basketball game, and a lively party at the PHTS.

Girls Will March To Martial Beat At PTO Meeting

By LEE MARSHALL and JUDY BASKIN
Special Writers

Hup, two, three, four, left, right, left, right, left, turn, cross, march!

These and other march commands will be going through the minds of 10 girls at the PTO program March 20. The girls will march to the tune of the Colonel Bogey March and Bridge over the River Kwai.

In charge of getting all left feet down at the same time are Miss M. Lowensbury and Miss J. Sierlot. Other gymnastic stunts and demonstrations will familiarize the parents with the gym program at the junior high.

EIGHTH and ninth grade students of BHHS viewed an educational film recently. The film was shown by Maj. Brant of the U. S. Army Reserve.

COMMITTEES for the 9th grade spring play have been meeting and making plans for their respective areas.

Some of the Committees are make-up, costumes, scenery, publicity, props, tickets, lighting and sound. Each of these committees will help make the play a big success.

Basketball Prize May Soon Get Permanent Home

Brant Conley's 18 points, Mark Fritz's 10 and Mark Lindsey's 10 points, wrapped up Derby's exciting and headlining game Feb. 7, against Barnum. The final score was Derby 38, Barnum 34.

This game was one of our most important ones, as we were fighting for the Principal's Trophy. For the third consecutive year, Derby has won this cup in basketball and if the shining teams continue to push their school to glory we will have this trophy for good.

Derby's eighth grade also won with a lacyway of two points when they played their game against Barnum. Mr. Faylor's top scorers were Tom Snyder, who played his best game of the season and Dick Swaney.

MISS KENNELLY and Miss Amundson, two teachers from our English department, have announced the tryout dates for our variety show. Students are now busy trying to put acts together and deciding costumes.

The tryouts for the seventh grade will be Tuesday; the eighth grade on Wednesday and the ninth grade on the following day. The show is scheduled for March 21.

There will be three performances on that date, two during the day for the student body and one in the evening, which is open to the public.

DESERVING of credit are the yearbook staff members. If they don't, we're in for an extra-specialty good year book this time.

Faculty Members To Be Honored

Six members of the faculty of Cranbrook School will be honored in ceremonies on Monday for 25 years or more of services at the entire student body.

Citations will be presented from the Independent Schools Association. Brief ceremonies will be held at the morning assembly before the entire student body.

To be honored and the year in which they came to Cranbrook School are Headmaster Harry D. Hoey (1928); W. Boyce Ricketts, head of the history department (1929); and Carl G. Wonnberger, head of the English department and director of the Summer Theater School.

Others are S. Snyder, librarian and English instructor (1933); Hubert V. Davis, head of the mat-

ematics department, director of programs and senior counselor (1932); and William Schultz Jr., head of the science department and co-director of the Cranbrook-Kingswood summer day camp (1930).

General news deadline is 4:30 p.m. each Tuesday.
