Latin American Affairs Discussed at Assembly

By Betsy Wright
Special Writer

During Miss Goddard's absence at a conference of principals of schools for girls, her usual Monday assembly was conducted by guest speaker Mrs. Ruth Shain, a prominent resident of Birmingham and authority on international affairs.

Mrs. Shain spoke on the current problems facing Latin America, namely those of political upheavals, dictatorships, division of races, illiteracy and large class distinctions.

In her thought-provoking and interesting speech, Mrs. Shain helped to acquaint us with some of the international difficulties which we, as teenagers, will soon have to face.

Kingswood girls a chance to spend an entire evening with their favorite beaux—their fathers.

First came the annual Dad's Dinner followed by a presentation of Aaron Copland's "The Second Hurricane" at the Cranbrook auditorium.

This operetta, a variation from the usual type of musicals presented here, was written especially for high school production and was performed by the senior glee club of Kingswood and Cranbrook.

The soloists from Kingswood were Linda Kay Allen, Josephine Dudeck and Molly Mitchell. The whole evening was one of enjoyment for all.

ON MARCH 18, the Groves senior high choir, under the direction of Fritz Krueger, will be singing at Ferndale High School for the district IV Choral Festival.

The choir and the girls' ensemble hope to do as well, or better than last year, at which time they returned from the Waterford Festival with a one and two rating respectively, stated Mr. Krueger.

Dr. Morgan, who has written a number of choral compositions, will direct the masses choir in his own composition "Bow Down Thine Ear."

LAST THURSDAY Groves held an exchange assembly with West Bloomfield High School's mixed choir. The choir, under the direction of Mr. Merlin Asplin, began an program singing "I Am In The River" and followed with "Old Man River."

"River Stay Away From My Door" was sung as a solo. Next, a male quartet sang two selections. After the quartet, he is going to sing "In The Bosom Of Abraham."

After the West Bloomfield choir had concluded their program, the Groves High School senior choir sang three selections. The girls' ensemble, taken from the high school choir and the Groves choir, ended the entire program by singing "I Won't Grow Up."

SOUTHFIELD HIGH SCHOOL

Niagara Falls Chosen As Senior Trip Goal

By JUDY WUESTERWALD
Special Writer

Although 60 percent of Southfield's seniors are not planning to participate, the senior board has approved this year's senior trip. The seniors will be going to Niagara Falls on May 16, and returning May 18.

Those not attending, however, will be required to attend regular classes during these three days.

THE SKI CLUB of SHS, sponsored by Mr. James Mills, has a very exciting weekend trip this year. They skied at Nobe's Nob near Petoskey. Unlike last year, there were no casualties.

After a short delay, during which the bus made a stop at Mr. Mills' home to pick up the money he'd forgotten to bring along, the club was on its way to an adventurous three days.

TWO DANCES were held recently at Southfield High. After the game at which SHS played host to Berkley, the combined staffs of the Jay and the Blue and Gray sponsored a dance.

The following night, the sophomore sponsored a record hop, the Soph Ball.

ON FEBRUARY 17, the students of Southfield High received free copies of the Scholastic Book Order a month during the school year it will be distributed. The Southfield Jay had to be accepted by the National Scholastic Press Association in order to acquire the victor's magazine.

STUDENTS in the ninth and 12th grades were able to take part in the Spring Forensic Speaking contest, established by the University of Michigan.

Two different speech categories

will be included in the school preliminary contest this week. A speech background is not required to enter the contest.

The second induction of members of the junior and senior classes, to the Southfield chapter of the National Honor Society was given on Feb. 22.

Beside the 14 representatives at the present time, 10 per cent of the senior class and 5 per cent of the junior class can be members.

New members received their membership cards when the president members of the society selected them from the audience during a three hour assembly.

AN INVITATIONAL chess tournament, first of its kind at Southfield High School, will be sponsored by the local school on April 15.

Invitations have been sent to every public and parochial high school in the Detroit area by members of the Southfield High Chess Club. Tournament rules and scoring for the event have been devised by William Bulk, chess editor of an area newspaper.

The local club sponsored by Roger Swery, is also planning an intra-school tournament and is taking part in the Inter-Lakes Chess League.

"No mud and dirt! Everything's a lot cleaner since we got a concrete street!"

Concrete's the street for good homemakers! No tar to track in... no clutter, dust and dirt of periodic patching and surface treatment. And laid flat, concrete stays flat—never any hollow spots to collect water. You're always sure of good drainage.

And concrete's so smooth-riding and safe. Its grainy surface gives dependable skid resistance, even when it's raining. And you'll never find potholes or ripples to cause dangerous swerves.

There's another big advantage at night. Light-colored concrete reflects up to 4 times more light than a dark surface can. It brightens things up for drivers... you can see and be seen far better.

With all this, concrete's initial cost is moderate—less than you'd think! And the upkeep cost is extremely low. A street of concrete will probably outlast your house. It has a life expectancy of 50 years and more.

It's the preferred pavement for residential streets all over America... it belongs on the street in front of your house.

Get together with your neighbors... If your street needs paving, make your preference for concrete known. Concrete is the only pavement that can be accurately engineered to meet the expected traffic load on your street for years to come.
