

Maple Tankers Get Dunking

By JOE CADARIU

It may be appropriate at this time to sing "It's that same old song and dance," and to chant that famous saying by that famous old general—"We shall return."

Last year, the swimming Maples of Birmingham missed on the state championship by half a point to Grosse Pointe.

After going through a tough dual competition schedule, Seaholm finished with a record tainted by only one upset defeat.

The MAPLES were favored to win the 1961 championship.

But since swimming isn't one of the major sports in Michigan, word hadn't leaked out about other swim squads or outstanding individuals.

Seaholm finished fourth.

A THIN, wiry, non-athletic looking swimmer from Flint Northern

was the surprise of the meet. Until that point there were only five points separating the five rivals.

While more than 500 Plymouth fans were near ecstasy, the school here swam to a new state record.

Barry Johnson, now of MSU, and formerly at Royal Oak Kimball, held the old mark of 2:13.7. He established it last year.

Gretzinger also took a second place in the 200-yard freestyle to total 12 points for his team.

The LARGEST of all swimming championships held for high school swimmers in Michigan began Friday night with the 400-yard freestyle and diving prelims.

To expedite the timing of the meet, the finals of the 400 were held Friday.

Pontiac Central's John Donaldson broke the state record while swimming to a strong 4:15.3. He came back Saturday to sweep to a victory in the 200-yard freestyle in 1:53.4.

SATURDAY morning, the preliminaries for all other events began.

First event was the 50-yard freestyle. And, it took nearly one hour to narrow the field of 89 competitors to six. Twelve heats were raced.

Seaholm's Elliott won the 11th heat in 23.6. In the evening's final he lowered his time by one-tenth of a second to 23.5, enough for a second place behind Riutta.

JOHN EMMETT and Harry Hoyt failed to qualify for the final. Six heats were swam in the 100-yard butterfly preliminaries. Spencer took his race in 56.7. He was the only Maple swimmer entered.

Jim Leahy qualified for the 200-

yard freestyle event with a 2:01.2 in the prelim. Mike McCarthy missed by a tenth of a second of being eligible for the evening race. Seaholm's Bill Watkins also failed in his quest of a final berth.

LARRY SEVERY and Bob Wolf were the Maple entrants in the 100-yard backstroke. Wolf won his heat in 1:00.4. Severy was dropped with a 1:03.6.

Jim Bradburn and Bob Kennedy both fell quite short of the qualifying time in the 100-yard breaststroke. They were timed at 1:10.4.

Surprising quite a few of the fans at the afternoon preliminaries, Seaholm Coach Corey Van Fleet chose not to enter Elliott in the 100-yard Freestyle. This left an

event.

In the preliminaries of Friday night and Saturday morning and afternoon, the largest field ever in the State meet was narrowed down from nearly 500 to the 48 individual finalists, 12 school relay team finalists and seven divers.

The MAPLES had set out to beat defending champion Grosse Pointe—and they did. But, two other teams slipped ahead of Seaholm.

Plymouth was the winner by a surprisingly large margin. It amassed 44½ points while Battle Creek Central was second with 36.4.

Birmingham Seaholm finished third with 28. Next was Grosse Pointe's 22 and Pontiac Central's 21.

DICK GRETZINGER'S 2:12.2 in the 200-yard individual medley was enough for the difference between the top five schools. Until that point there were only five points separating the five rivals.
