SCOTTS
No experience needed
Solve 3 lawn problems in one afternoon

YOU HEAR and read much criticism of the educational world. From the first grade right through university graduation, the education system is praised by many people as to the ultimate practical values of today's education... yet they lack in meeting life's day-to-day various problems, challenges and the much needed... Are teachers as good as they would be? And others compare well, there are two sides to this problem to be sure. Even within a teacher's mind there is a division of opinion...
