### A Model Way To Help

WEST BLOOMFIELD TOWNSHIP—Mrs. Harry Bittner and AFS student Annegret Gross watch Betty Lou Shaw model an ensemble such as will be featured at a luncheon-fashion show April 6 at Orchard Lake Country Club. The event is being sponsored by the West Bloomfield Chapter of the American Field Service. All proceeds will go to the chapter's fund to bring a teen-age student to West Bloomfield High School or to send a student abroad for the summer. Annegret is the school's present AFS student and comes from Germany. Mrs. Bittner is chairman of the luncheon committee of the local chapter.

### Recreation Group Sponsors Contest For Soap-Carvers

LATHRUP—Children in grades three through seven are eligible to enter a soap carving contest, sponsored by the Lathrup Village Recreation Commission. Each child must submit his boxed entry to the south hall of Lathrup School at 3:45 p.m., April 14. Entries must include child's name and only one entry per child will be allowed. Two prizes per grade are offered as well as two grand prizes and honorable mention prizes. Judging will be done by the school art teacher. A ladies creative dancing class will begin April 13 if enough registrations are received. Classes will be held from 8:30 to 9:30 at Lathrup School on Thursday evenings. Registrations may be sent to Mrs. David Anderson, 18656 Bangalow Drive.

### Seaholm Students To Aid Couple

The Orchard Lake Community Church congregation is assisting a couple from Holland, who recently arrived in America. Students of a sociology class at Seaholm High School propose to help the DeRambelja family acquire transportation to and from work. Since Mr. DeRambelja cannot drive, the students are working on a project to locate used or discarded bicycles. If more than two bicycles are donated, the rest will go to the Oakland County Children's Home. Donald Grothe, a teacher at Seaholm High School, is in charge of the project. Thermopane insulating glass is 53 percent more efficient than single plate glass in room insulation.
