Brownies Participate In Therapy Program

The therapy horticulture program has been at Pontiac State Hospital for approximately ten years. It is a program to get the patients to think about tomorrow rather than yesterday. The program gives the patient confidence, thrill of a new hobby and a feeling of achievement as the patient works with seeds, plants and garden programs.

Mrs. Alice Wessels Burlingame, author of "Therapy Through Horticulture," says, "The patients have enjoyed the colorful containers created by Pontiac State Hospital No. 696."

THESE Brownies salvaged soup cans which they covered with scraps of gray wallpaper to create these pretty containers which the patients use in their hospital rooms.

Seeds are planted in these decorative containers by patients, and the resultant plants and blossoms in these colorful "planters" bring joy to the patients.

Brownies who participated are Diane Dahlquist, Susan Dempsey, Lynn Dickinson, "Debbie" Dine, "Kathy" Evislister, Sherrill Funston, Susan Henne, Susan Kling, Sharon Marshall, Wendy Mousakas, Susan Murray, "Patty" Rider, Brenda Root. Troop Leader is Mrs. Richard Henne and Assistant Troop Leader is Mrs. J. Harvey Dine.

Arrangements for the reception are being made by a committee including Mrs. Charles Mason, chairman and Mrs. Carl Larson, Mrs. Robert Carey and Mrs. Gordon Boling.

BUFFET luncheon will be served from a table appropriately decorated with emblems and colors of the sorority.

Highlight of the afternoon's program will be the awarding of special insignia to two local women who have been members of the sorority for fifty years.

Mrs. Whitney will present 50-Year Pins to Mrs. George Nelson of Colonial Court and Mrs. Lois T. Place of Valley View Lane.
