**YOU BOTH GET PAID**

If an Auto Club member with collision insurance from the Exchange collides with another automobile insured with the Exchange, his entire collision damages are paid in full... regardless of fault, regardless of the deductible amount. If both cars carry collision coverage with the Exchange, both are paid in full.

The advantage of this protection becomes dramatically clear when you notice how the \$75,000 Auto Club members surround you as you drive throughout Michigan.

Where else can the Good Driver get such broad protection coupled with low auto insurance rates?
