Detroit likes action... and Buick's got it!

Northland shoppers' Special... There are good reasons why the Buick Special (particularly the Special wagon) is such a welcome shopping companion. The roominess finds exceptional favor: even the results of real shopping jamboree only begin to fill its luggage or cargo area. The Special alleviates parking distress, too... slips in and out of tight spots with the grace a lady likes. Something else that's nice to contemplate is this: even though you may splurge in the store your Special is pinching pennies on the road. With either V6 or V8 engine you get real bargain-basement economy. Find out about this tremendous value.
