Two Drivers Hurt As Cars Collide In B'field Township

BLOOMFIELD TOWNSHIP — Two men were hurt in a two-car collision Wednesday morning at Adams and Long Lake Road.

Injured were William E. Baldwin, 38, of 4126 Spur Hill Drive, Bloomfield Township, and Donald L. McLaughlin, 38, of Pontiac. Both men suffered chest injuries and face cuts and some of Baldwin's teeth were knocked out, police said.

Baldwin apparently attempted a left turn from Adams onto Long Lake Road when the accident occurred, police said. He was driving south on Adams; McLaughlin was headed north.

Cricket was honored by a warm "welcome shower" at the Whately Road home of Mrs. George Altmanberger a few days after her arrival. Planning to start Franklin School next fall, Cricket is using this time to get acquainted with all the wild life and pets in the neighborhood.

Open House, Panel Talk Set Monday in Franklin

FRANKLIN — In order to coincide activities with Michigan Education week, Franklin's PTA will meet a week earlier this month.

The traditional classroom open house will follow a Town Hall meeting in the multi-purpose room starting at 8:06 p.m. Monday.

A dozen provocative questions

submitted by parents will be the topic of discussion. Board of Education member Richard Barnard will serve as moderator. Panel members will be Franklin School Principal, Miss Marjorie Tate; William Corliss, director of elementary curriculum for Birmingham; Walter Piel, administrative assistant of Birmingham schools; Walter Groves, high school principal; Charles Lundy and Franklin PTA President Ted Keller.

Parents are invited to visit their child's room afterwards. Special displays have been planned for the occasion.

Refreshments will be served by mothers of Mrs. J. Koch's and Mrs. C. Barnett's first grade classes. The first grade students have prepared the table decor.

A charming innovation by the Franklin school PTA occurred Wednesday when 28 new mothers to the community were guests of the hospitality committee. Chairman Mrs. Win Conrad arranged for an informal tea to be held in the school library as a welcome gesture.

The PTA attendance trophy, customarily awarded to the room having the best parental turnout at monthly meetings has been enhanced by a cash award. Five dollars will go towards the current or favorite class project of the room with the greatest attendance.

All mothers in the community are invited to join the telephone bridge event Nov. 17. With Mrs. Howard Rex in charge, the tournament will be the only PTA fundraising event this year.

A reminder that Boy Scout Troop 1011 will be collecting newspapers and magazines for their fall drive this Saturday. Trailers will be parked on the village green to receive tied bundles from households.

Those unable to bring bundles to the green are requested to have collections securely tied and placed in easily accessible places for pick-up by teams of dais and lads.

With four new neighbors in the Stoneoaks Circle, Mrs. Hollis Halladay solved the get-acquainted problem by holding a coffee in their honor last Friday morning.

Twenty-seven ladies from this congenial neighborhood met newcomers Mrs. Rose Morgan, Mrs. Harry Phillips, Mrs. F. Victor Cordier and Mrs. Dale Webb over the coffee cups.

Joining the festivities was Mrs. E. Dean, aunt of Mrs. Halladay who is here for a visit from New Jersey.

Speaking of newcomers — the Eugene Kellys of Redfern Road are

Next to actually taking a trip to Europe, it is possible to enjoy the experience through the vivid description of Mrs. Stephen Gidley. Home again on Scenic, her accounts of travels with her husband through all the big cities of seven countries on a business quest for fine furniture, are almost as satisfying as the trip itself would be.
