

Bonds worth more than \$85.5 million will be sold Dec. 6 for the Twelve Town Drain, Oakland County Drain Commission Daniel W. Harry announced last week.

And the Michigan State Highway Dept. has made its first payment, \$1 million, to help finance construction of the \$40 million South Oakland drain-sewer facility.

Serry said construction should start about 90 days after the bonds are sold. Sale date for the bonds was announced after announcement of approval of the bond issue by the State Municipal Finance Commission.

**THE BONDS ARE** expected to bring in \$33,875,000, the balance to come from benefiting communities and the state road department.

Deputy State Highway Commissioner Frederick E. Tripp last week presented a check for \$1 million to the county drain commission and said the state's final payment of its \$4.8 million commitment will be made in March.

The drain will be the largest of its kind ever built at one time in Michigan.

Benefit of the state road department will consist of drainage facilities for Interstate 76 Freeway between 8 and 9 Mile roads.

Although the storm relief drain-sewer is named Twelve Town, it actually will serve 14 communities with 44 miles of sewers: Birmingham, Beverly Hills, Southfield, Troy, Royal Oak, Madison Heights, Hazel Park, Clawson, Huntington Woods, Royal Oak Township, Berkeley, Pleasant Ridge, Ferndale, Oak Park.

**Act of Cowardice**  
A member of the Omaha, Neb., police force was suspended for cowardice. The suspended is a German police dog, Ken, who was chased by a cat.

**Swept Away**  
A prisoner in Wichita Falls, Tex., swept his way out of jail. He picked up a broom, swept his way to the front entrance and simply walked away.

### FIX-IT TIP

**End Burn Benches**  
When intent on the soldering job, the soldering iron is often set down in a hurry, soon scorching the bench top. Put an end to these burn marks by making a rest of a coffee can. Bend in the sides of the can and the result will be a rest that can be spotted easily, and one that will be almost impossible to tip over, too.
