IN THE OTHER Varsity con-

Head coach Gene Hannum of the Tigers credits the undefeated mark to spirit, good attendance at games and most particularly to good blocking and tackling.

The blocking and tackling undoubtedly was learned in previous years because the Tigers represented more years of Little League experience than any other Varsity team.

Gar Thomas and Mark Kraetzer scored the TD's in the finale. Mike Gaffery added both extra points. Wolverines penetrated to the Tiger 15 yard line early in the quarter but their drive was halted. With about two minutes left in the game they arched a 25 yard pass to Bill Green, who ran for the touchdown and the Wolverines' only score.

Redford scored again on a 73 yard drive with Willie Knox going in for the TD as Stewart kicked for the extra point, making the score 27 to 23 for Clarkston. Bill Pettibone, Fritz Streessen, Reuter, Kyle Kerway, Ed Hill and Bob Youngs received honorable mention.

AT CLARKSTON, the Wolves barely slipped passed Bloomfield in a close game which saw Roger Stewart grip two more touchdowns to lead his final individual record of 15 TD's.

DEER HUNTERS soon to be striking out for camps where there is no telephone service are urged to register at the nearest field, district, or regional offices of the Conservation Department when they are in the woods to coordinate police action in their districts.

UPPER PENINSULA deer hunters are urged to contact Conservation Department field men if they kill white-tails this season which are wearing nylon necklaces.

MICHIGAN'S present deer hunting accident rate—the number of shooting accidents per 100,000 hunters—is only about what it was in the early 1940's.

Michigan's first restriction on deer hunting came in 1889, when hunting was limited to the last five months (30 days) of the year.

By RALPH ESSLER Sports Correspondent

In their closing tilt of the 1961 football season, the Barons of Bloomfield Hills dropped a heart-breaker to the Wolves of Clarkston Friday night by one point, 27-26.

With this loss added to the Barons' record, Bloomfield closes with a five and three showing in the Wayne-Oakland League to wind up in a three-way tie for third place with Clarkston and Holly.

FINAL STANDINGS look like this: The Norville Mustangs finish in first place with an eight and zero record. In second place is last year's league winner, West Bloomfield. Third place goes to Bloomfield, Clarkston and Holly.

Seaholm Harriers 7th; Redford Takes Crown

"Detroit Redford has the best cross-country team I've ever seen," said Seaholm High's veteran coach, Fred Seidel, who was quite a few.

Seaholm's first, the Detroit school had boys who finished eighth, 10th, 14th and 15th.

Other schools which finished ahead of Birmingham are Ypsilanti, Flint Central, Midland, Moores and Detroit Northwestern.

Jack Bachelor finished highest of the five Seaholm placers. He took 16th place in 10:45. Just three seconds behind Bachelor was Rick Reid in 18th place.

MURRAY STEWART came in last by a major shift in manpower through the department.

Game men, fisheries personnel, parks rangers, foresters, and others will team up with conservation and fire officers in two-man patrol units.
