The City With The Christmas Spirit . . . BIRMINGHAM—The Friendly City!

Birmingham has long been recognized as an outstanding shopping area. Its many quality stores and businesses, offering every type of goods in a friendly and competitive manner, have encouraged people over a large trade radius to look to Birmingham for their daily needs.

The character of the old established businesses of Birmingham, together with the new merchants joining our community, have made it possible for us to become one of the finest and most complete shopping markets of any city in Michigan.

We believe that it is just plain good sense to shop at home. When you trade with your local merchants, you are making an investment in the future of Birmingham. Your purchases help provide better schools, better parks and a better way of life for all of us.

It is with this thought that the retail merchants of Birmingham urge you to shop at home first. We believe you will find a more friendly, more cooperative, more desirable place to fill your needs right here in Birmingham. Let's all make this our slogan, "Let's Shop in Birmingham This Christmas."
