Chosen as Cinderella for '60 was Beverly Galbraith, 17, daughter of Mr. and Mrs. Clarence Galbraith of Grandville, Ave. She graduated last June, after some concentrated night and summer school study; following a long siege of TB of the spine which required a bone graft.

Beverly was released in December 1959 from the hospital where she was strapped flat to her bed for many weeks before her operation. She is working now for the Wayne Beauty Supply Company, hopes someday to go to college and teach.

Whiting

(Continued from 1-C)

when the first Torch Drive was being organized, she came to Detroit for the first rally. "I sang and made a speech," she stated, "my first speech, I've been doing them ever since."

MARGARET doesn't spend much time on her place. She has an engagement in Denver on Wednesday, flew to New York the following day and Friday is due out west. She is chairman of the Thalian Ball, which will be held Friday at the Beverly Hilton. Proceeds from the Ball will go for the Emotionally Disturbed Children. Debbie Reynolds is president of the group. Margaret comments that there will probably be another Whiting in show business. Her daughter, who sings, dances and acts, was offered a part in a TV show, but turned it down because she thought it would interfere with school. Margaret stated she was very proud of her.

MISS WHITING recently recorded "Who Can You Can" and the flip side is "Second Thought" from the "Gay Life." Her new album is "Broadway Right Now" with Mel Tormé. A collector of books and classical records, Margaret is looking forward to going to Los Angeles for the opening of the opera season. And then hopes to jet back to Bloomfield on Thanksgiving for a reunion with her family.

Promote Trio At Chevrolet

Three Birmingham area residents have been promoted by the Chevrolet Motor Division.

Frank C. Silvey, 1357 Wrenwood Drive, Birmingham, is appointed assistant general sales manager for parts and accessories merchandising and warehousing. Previously he was in charge of the P & A warehousing section. His promotion followed the retirement of I. W. Thompson, who had headed the P & A department almost 15 years.

John P. Hopkins, 3545 Rowland Drive, Birmingham, becomes Silvey's assistant as national director of P & A merchandising and management. For the past five years he has headed Chevrolet's sales administrative department.

George A. Greig, 2940 Hickory Grove Road, Bloomfield Hills, is promoted to the sales administrative unit vacated by Hopkins.

SILVEY HAS BEEN with Chevrolet since 1933, when he started in Harrisburg, Pa. He served the firm in increasingly important positions in Virginia, his native state, Pittsburgh, Buffalo, Baltimore, Boston and Washington before his appointment in 1956 as manager of P & A warehousing in Detroit.

Hopkins, a native of Mendon, Mich., joined Chevrolet in 1929 in Detroit. He worked in the purchasing department in a sequence of positions until his appointment in 1945 as manager of P & A warehousing and distribution. Born in Yonkers, N. Y., Greig joined Chevrolet in Terrytown, N. Y., in 1925. He later worked in the accounting department in the Central Office, Detroit, then held the post of general accounting supervisor in Chevrolet plants at St. Louis and Flint before becoming office manager in Detroit in 1944.
