

Cranbrook Villagers Welcomed Back Home

CRANBROOK VILLAGE—The "Welcome" mat is out for the Stanley Crafts who moved back to the village recently after almost two years in Elmhurst, a Chicago suburb. Craft was transferred to the Illinois city and back again. He's a sales representative with the Celotex Corp.

The Crafts have three children: Cheryl, 12, Pat, 18, a junior at Albion College and Jim, 15. Craft likes golf; Mrs. Craft is fond of designing millinery and arranging flowers. The family incidentally, say back at the same address as before.

And in late September, the William Reblitz family moved to Autumn Lane from northwest Detroit where they had lived for 21 years. Their daughter, Judy, is a freshman at Central Michigan University.

Reblitz is an abrasive engineer with the Norton Co. and is a very active Mason. His wife enjoys cooking.

Another new family is the Stanley Getsoff clan who moved to Northgate not too long ago from Hamtramck where they were several years residents. He is associated with National Machine Products and their children are Denise, 11, and Gazy, 8.

Both Mr. and Mrs. Getsoff enjoy gardening and managed a good start to their yard, well in advance of frost.

Post-Birthday Party Sparks Chicago Visit

LATHRUP—Ideal holiday for the mother of grown children was the 10-day visit of Mrs. Ned Corbett in Chicago where she enjoyed the company of her two little granddaughters, Maureen and Colleen, while their parents vacationed at an Illinois resort.

Following a re-union with the children's mother, Margaret (the Corbett's daughter), Mrs. Corbett then headquartered for a few days with her son Ted, lending him an able assist in the re-doing of his bachelor apartment.

Joined by her husband over the Oct. 5 weekend, Mrs. Corbett then was a party to yet another party for her husband's Sept. 29 birthday—a reason enough for friends from their old home town to get together.

Corbett was the honor guest at a surprise "do" here in Lathrup on his birthday so the Chicago party was a much-enjoyed bonus.

Back home again after a weekend in Chicago are Dr. and Mrs. Ward

Shannon, Ireland, while en route home, were other highlights. They made the trip with the Michigan Credit Union League.

Though many dresses have been promised for the Ruth Allen dress drive by members of the Lathrup

Women's Club, more contributions will be welcome.

Dresses may be brought to the Lathrup Women's Bowling League or picked up if donors call Mrs. Norbert Hughes, 1839 Bungalow Drive; Nov. 25 is the last day to turn dresses in.

College Admissions Groves PTA Topic

Wylie E. Groves High School had its first general PTA meeting Tuesday. There was a panel presentation and discussion on "College Admissions, Applications, Scholar-

Beverly Hills to Buy Office Equipment

BEVERLY HILLS—Village Manager Robert E. Murphy was authorized by the council Monday to purchase about \$1,300 in office equipment. Subject to Murphy's approval, two electric typewriters will be purchased for \$202; a freepaper file for \$277 and a photo copying machine for \$240.

for you? A CAREER IN REAL ESTATE

Are you interested in real estate as a career? Are you willing to work long hours to be a success in the largest and most exciting business in the world. One of Birmingham's most progressive Realtor organizations has established a training program to insure their new associates adequate preparation in the shortest possible time.

Indoctrination will consist of 6-8 weeks (2 evenings a week) of lecture and informal round table discussions with the participants setting the pace. Additional training, including an introduction to firing line experience, will occupy 3-4 weekends. Participants who are working will continue in their present employment during this training period.

The group selected will be limited to not more than six in order to give maximum attention to each individual. All participants are expected to enter our business on a full time basis on completion of the study course.

Men and women are both eligible. Women may have no previous business experience but should be active in club, church, political or social activities.

Men may come from any field, obviously salesmen in other fields are likely candidates but others may have the personalities and abilities necessary to be successful in the real estate field. Each applicant will be carefully screened for requisite aptitudes before acceptance for training.

In general, we think the ideal age of participants is between 30 and 50—but others may be considered. Each should be seeking, and willing to work for, success beyond the norm. They should require or desire a 5-figure income. Candidates should be good self-starters and self-motivated, cheerful and optimistic by nature.

By the time your training and licensing is completed you should be thoroughly competent to enter the real estate profession with the expectation of producing early business. You will, of course, have field assistance during your early career experiences.

Why not talk it over with Owen Hall at the Birmingham Office (MI 6-7900)? No obligation—and this may be your opportunity!
