**Franklin Association's  
Annual Meeting Oct. 26**

FRANKLIN—Following up two successful events in October, a dinner-dance at Forest Lake Country Club and a football party to see last Saturday's MSU-U of M game in Ann Arbor—the Franklin Community Association has scheduled its annual dinner meeting and election of officers for 7 p.m. Oct. 26.

Meeting at the Franklin Community Church for traditional smorgasbord, the association will hear the financial results of the September Roundup and Barbecue, plus a current report on the status of proposed new community hall, as well as a guest speaker. The male contingent of the community plans this as a "night out with the boys" to name a new president and directors who will work to sustain the dream of a community center, and continuing the many projects for village young people and an occasional gala event for their neighbors. Members are urged to bring a neighbor, new or old.

The monthly card parties of the Stoneaks Association will be continued. It was decided at the annual meeting of the group last Friday night. Gathering at the home of Mr. and Mrs. Victor Brown on Franklin Road, with Mrs. W. Albrecht and Mrs. Allen Teagan as co-hostesses, the group assigned Mrs. Fred Schwedt and Mrs. Brown to work out details of the card parties.
