Much trouble does come to many people. Few, if any, persons have gone through life without some obstacles to hurdle. Indeed, the best thinkers of all ages agree that problems, obstacles to smooth going, are the means of stimulating growth of one's mental and spiritual natures. He whose road is smooth seldom develops strong muscles.

DELICIOUS and DIFFERENT

HOME-MADE TREATS OF HAM & PORK—Made at Olsen's!

Farm Style Sausage **Fine-Cut Ham Loaf** **SPICKLED PIGS FEET**

In the early 1880's, Alex Parks, a Birmingham butcher, achieved a modest kind of immortality by producing a pork sausage of magnificent flavor. Through an unbroken line of Alex's successors, his famous sausage recipe became a part of this business when it was founded in 1924. Nowhere except perhaps in Germany, will you find a sausage to duplicate ours. It's grand enough to serve dinner guests; ideal with waffles and maple syrup, or poached eggs on toast.

A special blend of smoked ham, pork, eggs, onion and bread crumbs present consistency and excellent spiced. Delicious cold in sandwiches.

BONELESS BREADED PORK CUTLETS

Only six of these large, lean, succulent chops can be cut from one hog. We bone and dice these big chops, fold them over and dice them again. Then they are rolled in our special bread crumbs, salt and pepper, so tender you can cut them with a fork.

Stuffed Pork Chops

Large, lean chops about an inch thick, cut with an opening into which we stuff savory bread dressing. They, too, are rolled in our special toasted bread crumbs. Bake and serve for a holiday surprise, at an everyday economical price.

BIRMINGHAM SALAD

Baked ham ground very fine, not coarse like commercial types, blended with pineapple, salt and pepper and delicate spices. Ready to serve. Delicious for sandwiches, large ones for duck's lunch or slabs open for toast and luncheons.
