As soon as The Birmingham United Nations Association's annual General Assembly was held on March 30, twenty members began learning new policies. These students were chosen from among many applicants to attend MUN, the Model United Nations held at the University of Detroit. Delegates were chosen on the basis of their ability, eagerness and participation in BUNA this year. At MUN, schools from around the area send delegates and a general assembly is held patterned after the United Nations. This year Seaholm is sending four delegations with five members on each to the Assembly, which will be held on April 27, 28 and 29.

Heading the delegation from the U.S.S.R. will be Jim Emmett, with Bob Brown, Chris Hoffman, Chuck Holtz, and Ben Root. Virginia Gris-

com, present Secretary-General of BUNA, heads the Nigerian delegation with delegates Dick Beaulieu, Ed Champlin, Dave Sanders, and Nancy Turner. Representing Honduras will be Erin Newhouse as chairman, with Chuck Bethel, Linda Kerley, John Meeseke, and Jere Stone. The delegation from Turkey is headed by Connie Stewart, with delegates Barb Fish, John McCullough, Betty Schwab, and Carol Vanderkooe. Alternates were also chosen, and will take the place of any delegate unable to attend MUN. The alternates are Pam Farlow, Bob Green, Diane Harrington, Betsy King, Pat Keough, Sharon Wilson, and Scott Woodson.

At the Festival held recently, several students from Seaholm received second division rating. These students were awarded this division because they played with clarity and good tone. These students

are Chuck Wessels, drum solo; Jim Fox, drum solo; Frank Boesman, Kirk Richards, and Bruce Stein, cornet trio; Bill Ives, cornet solo; Dennis Boltzerson, cornet solo; George Ward, cornet solo; Joan Osborn, French horn solo; Dave Barber, brass sextet, and Dennis Boltzerson, Bill Ives, Joan Osborn, Gordon Shankviler and Wes Grube, brass sextet.

"Theme From a Summer Place" a favorite song of the teenagers a while ago, is now taking place in education. While some girls are swimming, others are crooning and aching from their troubles with "Swedish gym." Swedish gym is doing exercises to music, and while all admit it looks nice to see fifty girls bending and moving together, it has painful moments too. Like those aches when you try, but can't go upstairs or downstairs, and that terrible backache when leaning against the hard wooden back of the desks in class. Well, cheer up. I'll be over soon, and then, who knows?

Approximately 300 Marian students will participate in the National Latin Examination to be given on April 9. This test, sponsored by the Association for the Promotion of the Study of Latin, is open to our freshman, sophomore and junior Latin students.

Through these tests national median-average-scores are determined each year, and the student is then allowed to evaluate her ability, work, and progress in Latin study as compared to the same semester students across the nation. The merit achievement awards for the best papers include certificates, pins and a APSL Latin trophy.

APRIL 13 IS THE date set for the language assembly program. Carole Dodge will act as mistress of ceremonies introducing the various attractions.

Both the French III and the Latin II students will present short plays displaying the use of their language today. Two freshman Latin classes will present a Roman Forum as it might have been 2,000 years ago.

The French and Latin projects will be on display in the lounge for our Language Week which is April 9-13.

Cadillac

Where the long way home is sweetest!

If he's a few minutes late tonight—well, who could blame him?

For there's an open road—and a spring evening—and a new Cadillac car. And that's a combination to bring out the wanderlust in any young man.

In fact, let's take a few minutes out ourselves—and ride with him as he takes the sweep of the boulevard.

What's it like, sitting there in the driver's seat of a beautiful new Cadillac car?

Well, first of all it's quiet. The car is so soundly built—and so precisely engineered—that only the rushing wind breaks the silence.

Driving seems the automatic response to wishing. The wheel turns with the weight of your hand—and the gentler pressure of your foot sends the car instantly ahead or brings it to a smooth, silken stop.

And how comfortable and how inspiring it is to have command of the "car of cars"! Certainly, it should be no surprise that the

miles ahead are so tempting—when the miles behind have been so wonderful.

Someday soon, when there's a touch of spring in the air—and a touch of adventure in your spirit—visit your Cadillac dealer and take the wheel of the "car of cars" for yourself.

You'll quickly discover that this is the perfect season to drive home in a Cadillac of your own.
