"Dreams Around the World" is the title for Marian High's Fashion Travelogue—for the Third Annual Mother and Daughter Fashion Show and Tea planned this year for May 5 at 1 p.m. The subtitles for the three different scenes are: "Motoramic Michigan," "Sisway and Sagsway," and "Edgely Ho!" Last year this social event made possible our modern Language Lab. This year the goal is the installation of Closed Circuit TV. Fashions from six local stores and from our Home Economics Department will be shown. The girls chosen to be among the 48 models are: Margaret Byrnes, Susan Reynolds, Donna Sabo, Judy Boyman, Joanne Di Lorsto, Anne Cuddohy and Kathy Curry. Others include Mary Liz Stuechell, Sue Anicott, Sue Delli, Carol Cameron, Sue Mahr, Carol Kleng, Val Bostwick, Charlene Geiss, Linda Scheear, Joan Wanklin, and Sue Savage. The remaining models are Marian Mothers.

There will be drawings for door prizes, favors, and the gift awards which include luggage, a silver tea service, and a weekend trip for two to Mackinac Island.

Marian has joined a newly organized junior employment agency at the Birmingham Community House along with Brother Rice, Seaholm, Groves, and Bloomfield. The representatives from Marian are Mrs. Louis Kastely and Karen Kastely. Mr. Merrill Miller, counselor from Seaholm, recently conducted a meeting for the student representatives to discuss different ways of publicizing the agency both to students and to the probable employers.

Spring is here to stay and Marian is going "all-out" for sports. Mrs. Wirth, our gym instructor, is supervising the three new clubs—golf, tennis, and bowling.

The ninth grade girls will be trying out for cheerleading for Seaholm this week. Practices and tryouts will be on Monday and Wednesday of this week.

The trophy winners for the Spring session of bowling are Dave Welch, Rich Fiel, Bob Burnett, and John Gipson. The name of their team is The Bowlers Four. Ken Zimmerman received the only pair of shoes for a game of 219. Miss Slick gives her congratulations and thanks for another successful season.

On Thursday, April 5, Miss Ujivala Salta from India spoke to Mrs. Griffith's and Mrs. Newman's seventh grade Social Studies classes. Miss Salta is a graduate student at Wayne University. She has been in the United States for five years and plans to return to India to teach in a college. Her visit to Barnum was arranged by Mrs. Donald Dawson, whose daughter Laura, is in the seventh grade at Barnum.

On Thursday, April 5, several students from Barnum, Seaholm, Groves and Derby met at the Hill Building and interviewed Dr. Otis M. Dickey, Mr. Ken Nagley and Mr. Dan Nesbitt. Many questions were answered by them about teacher placement and other school problems.

Seaholm Student Competes for Science Scholarship

As one of 30 leading high school science students in the nation, finalists in the 19th annual Bausch & Lomb Science Scholarship competition, Robert A. Kennedy, the son of Mr. and Mrs. Ford Kennedy, of 322 Wimbleson, Birmingham, Michigan, and a senior from Seaholm High School, was in Rochester, New York, recently as a guest of the University of Rochester and Bausch & Lomb Inc.

The finalists had a rigorous schedule of tests and interviews, classroom visits, and campus and industry tours. They were guests of honor at a dinner at the Rochester Club, and wound up their visit at a luncheon at the home of Joseph W. Taylor, secretary of Bausch & Lomb.

On March 30, Miss Douglas from Jacobson's Clothes Stores spoke to the ninth grade home economics class on new fashions. After her talk the girls were given an opportunity to look over and try on some of the clothes brought with her.

Last Tuesday, April 10, Derby's

Orchestra went on a field trip to Harlan Elementary School where they performed for an assembly.

On April 10, the District Spelling Bee was held at Derby. Sue Snapp, Derby's entry, was eliminated by the word *ardark* and took 7th place. The word *bump* placed her the spelling bee finalist Cynthia Cahn from Kingswood School. Julius Gardin from City and Country took second place.

Keeping Pace

Wood is now growing in the nation's forests faster than it is being harvested or killed by insects and disease. On West Coast tree farms, as an example, land is kept in maximum forest production.

DOUBLE QUICK—that's what our telephone men are these days, thanks to a new development by the Bell Telephone Laboratories. The Bell Labs have come up with a new device called a "coil spring connector," making it possible for telephone men to connect and disconnect small wires in half the time. It's another example of Bell System teamwork that paid off. Finding better and faster ways of doing everyday telephone jobs like this helps Michigan Bell keep the cost of your service low, the quality high.

And what happier time to get a lovely new extension phone? It puts your calls close at hand in the bedroom, kitchen, den, or basement playroom. Think of the steps you'll save—for only pennies a day. And you can choose a style to fit your needs. A lovely PRINCESS phone—little, lovely, with a night light, too. Or a convenient wall phone for busy housewives. Or a desk phone for Dad in the den. All are available in colors to add springtime sparkle to your home. To order, just call our business office.

Basil C. Vernier has been with the Telephone Company in this area since 1925, but will be leaving shortly to become a man of leisure. We are going to miss Basil as will many of his friends whom he has helped with telephone service. Our best wishes are extended to him for a happy retirement.
