That Season Is Upon Us Once Again

It's almost BOPOFR season. A BOPOFR is between the ages of 14 and 20. It is either a male or a female whose parents belong to one of six clubs in immediate area: Birmingham, Oakland Hills, Pine Lake, Orchard Lake, Forest Lake or Red Run.

They are lively critters who love parties and have planned six for the upcoming vacation season.

THE YOUNGSTERS were organized by the participating clubs for the purpose of social contacts with other teen-agers. Guests are allowed to attend the parties but must be vouched for by a member. Stag lines are taboo. Each party has to have an equal number of boys and girls.

The first party of the season will be a "Sock Hop," May 4 at Birmingham Country Club. The second party is planned for June 22 at Orchard Lake Country Club, July 26 at Pine Lake Country Club, Aug. 26 at Red Run, Oct. 26 at Oakland Hills, and Dec. 27 at Forest Lake.

Local Country Clubs Honor Their Bowlers

Wind-up of the bowling season at both Birmingham Country Club and Oakland Hills has been incentive for cocktail parties and banquets.

Mrs. Glen H. Whitney (Emma) of Forest Hill Drive, East-over, has been a member of the Birmingham Country Club Ladies Bowling League for twenty years, scoring perfect attendance for the first eleven of these. Besides which, last year her team ended the season in first place—reasons enough to make her honor guest at the closing banquet April 12 and to present her with a special award—an inscribed mahogany bowling trophy clock.

Among those on hand to help her celebrate were Mrs. Drew C. Haneline, Mrs. C. M. Baurville, Mrs. James W. Murphy, Mrs. Walter G. Bihler and League Chairman Mrs. Charles Granader.

MRS. WHITNEY

ON SATURDAY, a cocktail party at Oakland Hills will initiate an evening of fun for members of the club's mixed bowling league who for twenty-six Sunday evenings have been making strikes and spares—gutter balls, in this league, are unmentionable.

Following cocktails, guests will take over the main dining room for dinner, dancing and the presentation of awards. Special awards will go for the highest average attained at season's end, to Mrs. Henry O. Coucke and Edwin Schimk. The teams of Mr. and Mrs. Duncan R. Seaman, Jr. and Dr. and Mrs. Coucke will be awarded for having won the most games during the season. Mr. and Mrs. Charles B. O'Neill will be presented with an engraved trophy for improving their average by the greatest number of pins.

Banquet committee members include T. Kenneth McGuire, Frank M. Johnson Jr., David B. Falconer and Mrs. Richard J. Osborn.

Mrs. George Romney Will Be Honor Guest

Three hundred and fifty council delegates and other adult volunteers are expected to attend the luncheon and twenty-fifth annual Southern Oakland Girl Scout Council meeting at St. John's Episcopal Church, Royal Oak, May 2 at noon. Mrs. George Romney will be guest speaker.

In a salute to volunteers, members of Girl Scouts ten years and over will be presented their numerals by Mrs. David Borden, past president Southern Oakland Girl Scouts. Birmingham women to be honored are Mrs. J. E. Fouser, who has been active in Girl Scouts for 25 years, and Mrs. Edgar A. Guest and daughter, Ellen Guest, who will receive their 15 year numerals.

Farmington, was nominated for a member of the board of directors. Up for election to membership nominating committee are Mrs. Atwell J. Smith, 3180 Broadway, Birmingham, and Mrs. William Keegan Jr., 28741 Aranel Drive, Farmington.

Serving as hostesses at the luncheon will be the following from Birmingham District Girl Scouts: Mesdames Russell Garman, Edwin Walters, Donald Bishop, Carl Bheil, Alfred Gurley, Robert Gasvoda, Ben Howes, Julian Osterstein, Philip Rothwell and John Hamilton.

Teacher Goes East For Summer Study

Richard Hartt will leave in June with his wife and small daughter for Burlington, Vt., where he will enroll at the University of Vermont for the first of three summer courses in physics.

Mr. Hartt, a graduate of Michigan State University and a teacher in the Birmingham school system, has received a grant from the National Science Foundation for his advanced work.

Election, Judging Highlight Meeting

New officers for the Riverwoods Branch, Woman's National Farm and Garden Assn., will be elected May 1 at the group's annual meeting.

The business session and balloting will follow luncheon at the home of Mrs. Fred Louder, 24900 Waycross Court. Co-hostesses will be Mrs. Leon Decheim and Mrs. John Zink. Members are asked to bring May baskets for judging.
