Bowlers 'Wind Up' Season With Luncheon, Banquet

By NITA HARD
Franklin Correspondent

Among the first groups to wind-up activities for the season are the bowlers.

On May 3, the Franklin Women's Bowlers who have met every Thursday since fall, will hold a luncheon at Kingsley Inn to distribute awards. New officers will be elected.

The Franklin Couples Bowlers, husband and wife teams, who competed every Tuesday night all winter will hold their annual banquet at Forest Lake Country Club on May 8.

A strictly social group, the "Couples" generally take a pretty relaxed attitude about their averages and low-scorers are celebrated with many prizes.

Mr. and Mrs. Fred Ziegel, of Garden Way, certainly typify the pros and cons of a brief Florida holiday. He—obviously refreshed and golden and glad after a Fort Lauderdale holiday—Mrs. Z., (also golden but less glad—a victim of air-conditioned quarters) returned to Michigan to recuperate.

HOME APTER eight weeks in Florida is Mrs. Betty Lewis of

Crestwood. The less-strenuous life agreed with her, we hear—just 'sittin' in the sun.

Others sporting evidence of a sun-kissed holiday are Mr. and Mrs. Esterline of Ovid and the Fred McNabs of Apple Tree Lane.

This week the Robert Kerrs of Franklin Road say "au revoir" to their small children, Beth and Pam, and take off for a spring holiday trip with eldest youngsters Cary and Tom. The Kerrs visited Charlottesville and Williamsburg during the school recess.

Mr. and Mrs. Hubert Ingalls, presently occupying the Cole

home on Woodside, are spending every free moment clearing the site on Scenic Road where they'll build a new home this spring.

NEWCOMERS who readied their household quickly for a first Easter in Franklin are Mr. and Mrs. John Mand, formerly of Syracuse. The Mand and their children, John and Karen, have moved into the home, formerly known as the Young house on Franklin road.

A rowing farewell party was held recently for Mr. and Mrs. Stan Krentel to launch them happily on a trip to Europe.

BOLENS HUSKY 600
THE TRACTOR WITH THE HALF-MINUTE HITCH...

and a lot more!

Never before has so much engineering know-how been poured into a 6-hp tractor. Speed of attachment-change alone puts the HUSKY way out in front of its competition. Bolens engineers call the HUSKY's 3-point hitch (with splined power take-off) "the half-minute hitch" . . . and they're being conservative.

Eleven Fast-Switch attachments mean year-round usefulness. Now with the 32-inch rotary mow shown above. A 22-inch tiller attachment gives you easy, convenient tilling. The 32-inch Sno-Caster makes snow removal a pleasure . . . for light snow use the 42-inch grader blade. These and seven other attachments make the Husky 600 an all-season worker.

PLUS:
• All gear transmission with 6 speeds forward and 2 reverse
• One-pedal clutch-and-brake action • 6-position attachment lift • 6-hp Briggs & Stratton engine

Try out the HUSKY 600 for yourself. See us today.
