

### C'brook School's Athletic Plant Roars into Production

THERE'S PLENTY of action for Cranbrook School fans as the thinclads and baseball team sharpen up during daily practice sessions. At the left, Al Wilkinson, of Toronto, Ont.,

soars over the crossbar in the pole vault. Coach Ben Snyder says the youngster has developed into a top pole vaulter. In the center, baseball coach John Laskarides gets plenty of

hitting punch from these five (from left) Bill Powell, John Jacoby, John Billeston, Dave Schultz and Dick Mosher. The Cranes have the depth and manpower to go a long way in

track. Here Jess Brower (left) and Essel Bailey clear the hurdles. Bailey is top point performer for the squad so far.

### Falcons Second in Track Meet

Groves High, winner of four events, finished second last Thursday in a triangular track meet. Riverside was first with 64 1/2 points. Groves totaled 42 1/2 and North Farmington 30.

THE FALCONS, depending on a sophomore crop for most of their points, had a double winner in Bob Vibbert, who captured both hurdles events, and a winner in Neil Granader in the shot put.

Vibbert grabbed the 120-yard high hurdles in :17.2 and the 180 lows in :22.4. He also was the third runner on the winning 880-yard relay team which won the event in 1:40.9.

Granader tossed the shot 44 feet and six inches to win his specialty. Red Thomas was second in the mile. Dick McIntyre, who was part of the 880-yard quartet, took a fourth in the 100 and a second in the high jump.

DICK CLARK and Al Smith were third and fourth in the 880-yard run. Pete Manza claimed a third in the 400. Rick Morrow, who anchored the winning 880-yard relay, was fourth in the low hurdles. Don Toppe and Don Toppe placed fourth in the 220-yard dash.

"We're getting all the help from the sophomore class," said coach Ray Vavratska, now in his second season as coach. "Senior Art Schueler has been out with a pulled leg muscle and sophomore Bill Stephenson, who can clear 5 feet eight inches in the high jump, missed the meet. So now I intend to concentrate on our sophomore potential. We'll have to wait and see how far we can go with them."

### Good Fish Sports

Cliff and Peggy Dumanois, 31727 Sheridan Drive, won recognition for good sportsmanship last week in the Metropolitan Miami, Fla., Fishing Tournament when they caught and released two tarpons, 12 ladyfish, 11 redfish, and 11 jack.

### Ambrose Builds Track Power At Seaholm; Seeks State Title

By LARRY WROBLEWSKI Sports Editor

There's an elder, balding gentleman who occasionally glances at his stopwatch and yells encouragement to a band of youngsters practicing on the track oval at Seaholm High. You'll find him there most any day.

"Come on put more effort into it. You can do better."

THESE ARE responses from head track coach Kermit Ambrose, a 27-year coaching veteran, as he directs his thinclads.

He appears contented with the way things have been going. But Ambrose, who has been coaching track at Seaholm the last nine years, is still searching for the one honor he hasn't been able to reach—the Class A state track championship.

In recent years, Ambrose has probably been frustrated with the injuries that have plagued his team's chances in the state showdown.

But the 51-year-old coach just shrugs his shoulders and hopes for the best.

LAST YEAR when it appeared that the Maples were top contenders for state laurels Steve Jacobson, top dashman and broad jumper, or broke his leg in the final football game and missed the track campaign. Also, Tom Sweeney, crack 440 and 880-relay speedster, was sidelined with an injury. Both injuries definitely hampered the Maples' title plans.

"Last year we really had the potential to go all the way," said Ambrose, "but things didn't work out right."

The real potential of the Maples last year can be sighted in the fact that they finished eighth last year in the highly competitive Mansfield Relays where 1,500 thinclads from 150 prep schools competed.

And already the injury jinx has taken its toll of this year's squad. For last Wednesday, Roger Mason, all-state pole vaulter who has cleared 12 feet six inches and is

good for five points in every dual meet, fractured his collarbone.

The 5'7", 150-pounder was practicing with a fiber glass pole and it cracked as he subended himself in mid-air. He fell and is sidelined for the season. Mason will wear a special collarbone harness for five to six weeks.

"I THOUGHT we could run with anyone in the state before the season," explained Ambrose. "Injuries have already taken some key personnel out of the lineup. Bruce Bates, dashman, Jack Strang, 140 whiz, and Jack Trumbull are laid up with leg or foot injuries. And now Mason is out."

Ambrose realizes he may have the necessary material for a state championship, but his first task is to successfully defend the Eastern Michigan League championship for the tenth straight year.

Although the coveted state title has escaped Ambrose—the best showings to date have been third place finishes in 1956 and 1960—the congenial coach has amassed an unbelievable string of 46 consecutive E.M.L. dual meet victories.

"There's really nothing to it," Ambrose modestly admits. "I'm just blessed with a group of young men who are dedicated, willing to work and sacrifice to succeed. Also the majority of the team members are honor roll students. A coach couldn't ask for a better arrangement."

AMBROSE IS a quiet-spoken coach who gets the best from his thinclads.

"I never sold any youngsters," said Ambrose. "If a boy doesn't want to work, he doesn't work and he suffers in the long-run. At Seaholm we want the athletes that will devote time to training and are gentlemen in school. Track is an unusual sport. You look at the boys and divide them into possible successes. But plenty of times I have been fooled at first glance. Lots of youngsters I thought would never develop into anything have gone on to win individual state championships."

Ambrose has developed many top athletes over the last 10 years. Such performers as Rick Reilly, Bill Green, Bill Alcorn, Doug Wuzgazer, Bill McFarland and Tom Segal have played prominent

roles in the team's success. In 1956, Ambrose coached the team to a state championship. In 1960, the team finished second in the state track meet. In 1961, the team finished third in the state track meet. In 1962, the team finished fourth in the state track meet.

### Cranes' Thinclads Pull Major Upset, Knock Off Ferndale, U-D, Lutheran West

Cranbrook School's thinclads put on a solid team effort this past week to pull two major upsets. Coach Ben Snyder's crew clipped Ferndale, top rated Eastern Michigan League contender, last Thursday in a thrilling come-from-behind finish in the mile relay to win, 6:54-52.4.

Then relying on its depth and Al Wilkinson's record - setting pole vault effort the Cranes totaled 60 points, University of Detroit High 41 and Lutheran West, defending state Class B champion, 36 in a triangular affair Tuesday.

SOPHOMORE John Coburn took the mile Tuesday in a surprising, 4:41.5 clocking. Bill McMullen and Bob Feiz finished third and fourth.

Jack Pulley, a junior, took the 880-yard event in 2:07.1. Teammate Jeff Walters finished second.

Wilkinson soared over the crossbar at 11 feet four inches to smash the school mark of 11 feet three inches.

Other Cranbrook first places went to Essel Bailey in the 120-yard high hurdles in :16.0 and Bob Hicks with a :25.2 time in the 220. The mile relay foursome of Larry Hard, Bob Dearth, Bally Grannis and Tom Wilson turned in a fast 3:30.3 time.

### Rice Posts First Win In History

There was joyous celebration at Brother Rice High Tuesday following the Warriors' resounding 76-23 victory over St. Francis Cabrini for the school's first dual track meet triumph in its history.

"All the boys did an outstanding effort," said coach Paul Maloney. "Ed Jastrzemski was unshakable in the hurdles. Also both of our relay teams scored wins."

JASTRZEMSKI was the lone double winner, taking the 120-yard high hurdles and the 180-yard lows in :19.2 and :24.2 respectively.

Joe Schur capped the 220-yard event in :24.2 and added seconds in the broad jump and 100-yard dash for 11 points. He also picked some points as the lead-off runner of the triumphant 880-yard relay foursome. The team of Schur, Pat Shannon, 100-yard winner, Dave Dansey and Dave Turbowski won the event in 1:41.7.

The Warriors grabbed 10 firsts in two-pointing four events—the mile run, the 100, 880 and 220 events.

LAST WEDNESDAY, the Warriors claimed seven of 13 firsts, but dropped the meet to University of Detroit High Reserves, 63-25-6-3/5.

Norm Kalty, who won the mile at 4:48.4, and Ed Jastrzemski, who won the mile at 4:41.5, set a new school record, running a 4:49 mile for a first place.
