It happened 100 YEARS ago
The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN MICHIGAN, farmers were harvesting badly needed grain for the Union army. Michigan was one of the Union's important suppliers during the Civil War. And, after the war, the State's grain farmers found a good market with Michigan's pioneer brewers.

For even then, beer was the traditional beverage of moderation. Beer still provides enjoyment for folks in Michigan and a good living for the many employees and suppliers of the Brewing Industry.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Seaholm Uses Rally to Down East Detroit

Seaholm High, rallying in doubles, overcame a 2-1 deficit to win its first tennis match of the year last Tuesday over East Detroit, 3-2.

Coach Lew Parry's letters really had to scramble to win the match following their opening 7-0 setback to Cranbrook.

THE MAPLES' John Slater experienced little trouble beating East Detroit's Doug Mills, 6-3, 6-2. Then Seaholm's Bob Spencer and Jeff Ruppert suffered singles losses. Spencer was beaten by Ed Lacklin, 6-3, 4-6, 6-4. Ruppert lost to Bill Seavey, 6-4, 6-2.

The Maples, Eastern Michigan League dual meet champions, rebounded to take both doubles. Harvey Wallace and Bruce Tinker combined to whip Ed Wright and Paul Dain, 6-4, 5-0. Pete Hotal and Ken Pogo collaborated to down Roger Moran and Tom Kaiser, 6-2, 6-1.

The Maples resume league competition on May 1, traveling to Mt. Clemens, defending EML titleholder.

roles in Seaholm's rise as a track power.

He points to the 1960 squad as the best he has ever coached. That year the Maples won the Huron Relays, Central Michigan Relays, the Dick Water Relays at Monroe and placed third at the state meet.

AMBROSE still has a dream to reign as state champion. May be this could be the year his dream comes true despite the setbacks.

Now he and his trackers face a tough segment of their dual meet schedule. They compete in three meets in seven days, beginning May 1 at Mt. Clemens, returning home to meet Port Huron May 3 and visiting Roseville on May 8.
