Finance, Taxes More Flexible

More flexibility in state and local financing is accomplished by the new provisions...

The basic 15-mill tax limit on property is retained (\$15 per \$1,000 of state equalized value).

IF VOTERS who are also proponents of an income tax, graduated the total limit could go to 50 mills for no longer than 20 years.

THE SALES TAX LIMIT

Under the new language of the proposed document, however, the legislature could by majority vote eliminate the present specific tax assessments...

The present earmarking ratio of sales tax funds for local government and schools is preserved.

The new constitution provides for the establishment of a School Aid Fund exclusively for public education and school employees' retirement systems.
