Village officials of Beverly Hills manage a good start for the water distribution system with a bit of body English on the shovel. From left, they are Councilmen Douglas Wood and Claude Shephard and Philip Hampton, Erik Anderson and Village Manager Robert E. Murphy. Hampton and Anderson are associated with the village engineers, Johnson and Anderson, Inc. The new system will cost the village about a quarter of a million dollars.

B'ham Rejects Bids For Maintenance Job

By LARRY EVOE
City Editor

The Birmingham City Commission has directed the administration to reject all bids for the maintenance contract for the Municipal Building.

Commissioner William H. Burgum made the motion to reject and readvertise for the job after one of the bidders said there was a typographical error in his bid. The city administration had recommended that the commission not award the contract to the low bidder, Modern Maintenance Co.

B'ham Rotary Sells Papers On Dec. 21

Some 105 local Rotarians will sponsor Friday morning, Dec. 26 as newsdays.

The occasion is the annual paper sale of the Birmingham Rotary Club. The Rotarians will sell editions of the Detroit Free Press from 6 a.m. to 1 p.m. to raise funds for Rotary-sponsored service projects.

Robert S. Kenning, club president, said the proceeds from the sale will go to several different projects.

"THE MAJORITY of the money will go to the Oakland County Society for Crippled Children and Adults, Inc.," Kenning said.

Other money will be distributed to such groups as the YMCA, Camp Happy Hollow, Girl Scouts and to the support of the Rotary Career Day at Seaholm High School.

Sellers will be stationed at major intersections throughout the city, according to Kenning. Other Rotarians will be selling in the downtown area.

General chairman for the event is William H. Burgum, while team captains are Robert Kilpatrick and Sam Walker.

Sewer Work Bid Accepted By Township

WEST BLOOMFIELD — The next scheduled meeting of the township board Wednesday will have an agenda quite similar to that of its meeting last week. Five of the eight items on last week's agenda were tabled until the next meeting. Two items will appear again for further action.

One item, an award of contract for the Sagamore Estates sanitary sewer, was finalized. A bid by Oak

Park Construction Co. of \$65,000 was accepted by the board.

Scheduled for action at the next meeting is a set of regulations setting forth fees to be charged for certain types of appeals to the township board of appeals.

BIDS FOR construction work to correct the heat loss at fire station number one will also be received at the Wednesday meeting.

Tabled until the next meeting were two applications for liquor licenses, approval of a plat for Pine Lake Woods subdivision, approval of a contract for township engineering and passage of a township food ordinance.
