

Oriental Dinners Provide Taste of Trip This Spring

Parties with a Flavor

The John Kinseys of Hylane Drive have been entertaining groups of 12 at a series of Sukiyaki dinner parties this fall. On the evening of each party the Kinseys have had a Japanese tissue paper fish floating in the breeze outside their home. As the guests arrive, they are greeted by the Kinseys wearing oriental costumes that were brought home from trips to the Orient. Adding to the atmosphere of the evening is a Japanese dancer who assists Mrs. Kinsey with the dinner and teaches the ladies the fine art of Japanese dancing.

The guests are also acquainted with the oriental ways of eating, preparing them for their spring trip to the Orient. The last two of the nine dinner parties are slated for Jan. 20 and 27.

The group of more than 100 will join the Kinseys in March on the English speaking union trip that will take them around the world.

Smooth Skating

Members of the "Bottle and Blade Skating Club" are sharpening their skates for their first outing of the season at Eton Park on Friday evening. The group of 30, all members of the Forest Lake Swim Club, formed the skating club a year ago. Officers were elected and the members met for skating sessions during the winter months.

After an hour on the ice on Friday evening, the group will retreat to the Les Fleming home on Mohegan Road for refreshments. On Jan. 20, the club is planning a family skating party. Another outing will follow in February with the skaters returning to the Edward Heins' home on Weather-vane for the evening.

FRIENDS AND RELATIVES have been honoring Barbara French Gilray, daughter of the Robert Gilrays of Green-Tree Road, at luncheon and dinner showers.

The first in the series was a buffet dinner and miscellaneous shower hosted by Mr. and Mrs. Jess Allen on the evening of Nov. 24. Mrs. Philip Smith of Henley Drive entertained at a luncheon and linen shower one afternoon last week. On Sunday, Mrs. John A. Gilray Jr. of Avondale road hosted a kitchen shower in her home.

Miss Gilray will be married to Harold Haller, son of Mrs. Lamar Wood and Sherman Haller of Howell, at an afternoon wedding at Christ Church Cranbrook on Dec. 22. They plan to make their home in East Lansing where Haller will complete his studies at Michigan State University.

Neighborhood Gathering

Mrs. Everett Champlin and Mrs. Howard Spokes of Weather-vane Lane entertained at a morning coffee for area newcomers on Wednesday. Eighteen Thornwood neighbors met Mrs. Edward Boltz, Mrs. Charles Lynde, Mrs. John Voigt and Mrs. W. J. Foxwell.

The Edward Boltzs moved to their new home on Weather-vane Lane from Eton Road in Birmingham. They have two children, Diana Johns, a student at Western University and Eddie, 14, attending Derby Junior High. Boltz is a vice president in the Bank of the Commonwealth. Their interests center around an investment club, bridge and Our Shepherd Lutheran Church, Birmingham.

THE CHARLES LYNDES of Upton Road moved recently from Walnut Creek, Calif., with their children, Mathew and Carol. Lynde is retail service manager with Kaiser Aluminum of Oakland, Calif. The family's current hobby is learning how this part of the country lives.

Yule Guests Expected

The John Voigts of Buffalo, N. Y., have settled into their new home on Upton Road. They have two children, Eleanor and Winkie. Voigt is in sales with Kaiser Aluminum. The family interests are skating, swimming and boating.

Arriving on Dec. 22 to spend the holiday season with the Voigts will be Mr. and Mrs. L. W. Voigt and daughter, Virginia, of Pittsburgh, Pa., parents and sister of Voigt.

THE W. JOHN FOXWELLS are enjoying their new home

on Weather-vane Lane. Their move was from Romford, England, where Foxwell was with the Ford Motor Co. He was transferred here as assistant chief in the tractor division of Ford Motor.

Mrs. Foxwell is looking forward to a trip back home in March for a two-week stay.

ARRIVING FROM Santa Barbara, Calif., on Saturday to join his family for the holidays is Everett Champlin of Weather-vane. Waiting to greet him will be sons James, a student at Tufts University in Medford, Mass., and Edward, a senior at Seaholm High School, and Mrs. Champlin. The family will all join Champlin in Santa Barbara in June. He has been transferred there by General Motors.

Christmas on the Coast

Betty Schwab, a senior at Seaholm High School, has been living with the Everett Champlins while she finishes her studies. She will be flying to Santa Barbara on Dec. 22 to spend Christmas week with her parents who were transferred there by General Motors recently.

THE GIRL SCOUTS of Troop 499 joined their scout leaders, Mrs. R. Smith of Acorn Blvd. and Mrs. Robert Hall of Bayou Drive, and journeyed to Camp Narrin for a busy weekend recently. Enjoying the outing were Bonnie Glasgow, Chris Smith, Molly Hall, Diane Dinnan, Kate McKinney, Cheryl Smith, Barbara Smith, all of the Birmingham-Bloomfield area.
