Hey! Get That Ball Away

Last week Cranbrook played their first game of the 1962-63 season, and lost to Madison Heights by a score of 61-54. It was a see-saw battle that saw the lead change hands several times. The Madison quintet battled back in the final minutes to overcome a 41-36 third quarter lead by the Cranes. John Chiarotti of Madison Heights was the game's high scorer with 14 points. Joe Kimble, with 13, and Bill Estes, with 12, were high for the Cranes.

Polaroid J66: More Camera for Less Money

The Polaroid J66 costs less than the first Land Camera model introduced more than 12 years ago!

It takes the same large pictures—but with what a difference. It's fully automatic. There are no settings you have to make. An electric eye chooses the exposure. You don't even have to focus. You don't need an expensive light meter. The flash gun is built in, too. And your picture is ready in just 10 seconds.

There are 12 years of improvements, refinements and brand new ideas in this camera. And yet it actually costs less than the first Land Camera on the market.

If you've always wanted a Polaroid Land Camera—and who hasn't?—this is your chance. Come in for a free 10-second demonstration today.
