Rice Rolls

To 2nd Win

Run 'em to death.

That's the formula used by coach Ken Yastic and his Brother Rice Warriors last Friday in trouncing St. Alphonsus, 71-53.

Of course, good shooting played an important part in Rice's second straight victory, but in the final analysis, it was running that wore down the opponent in the closing minutes of the contest.

At the end of the third period, the Warriors beld la slim 54-47 lead over the visiters. Before the fourth stanza was over, the St. Alphonsus quintet was tuckered out—just trying to keep up with the winners.

IN THE SCORING department, Rice launched a triple-barreled at track with Bill Moore garnering 22 points, Paul Jagels, 21, and Daive Walters, 18. Yastic's strategy was to have the guards and forwards drive toward the goal to open up the defense. This worked extremely will, produce free tracks, The Warrians and 67 per cent of their charity tosses in the second half.

Lakers Drub Mustangs by 60-45 Count TEN CRANES got into the scoring act as coach Hugh Divissors crew scored at will on the outmanned South Lyon quintet. The victory left Cranbrook with a 2-1 record for the season. The team lost the opener to Madison Heights.

Whoever said that didn't have Bloomfield Hills in mind.
The Barons have won four games in a row and are undefeated this year and their motto is:

"The best detense to the success.
And you can't argue with success.
Last week they demonstrated an effective defense in beating Brighton, 49-36, and maintaining their share of the Wayne-Oakland League leadership.

THE BARONS held Brighton to only 26 shots and they hit 15 of those for 89 per cent. John Augusten and Roger Ste-wart were the leading posintmakers for the Hills quintet, with 11 and 10 points, Dennis Hartman scored 13 for Brighton.

THE BIG WEAPON in the Bar-ons' defense arsenal was a half-court pressure defense. As soon as the Brighton boys crossed mid-court, they were subjected to har-f-court, they were subjected to har-moure boys like to make them work to get themselves free for the pass," c o m mented coach Ed Wichert.

THE COACH FEELS that a winning team is composed of 80 per cent material, 10 per cent luck and 10 per cent organization.

The Barons will play Milford Friday night without the services of their number one rebounder. Stewart, who sprained an ankle in the Brighton fray.

Mautte may get the coach's nod for a starting assignment. Melrose played a strong game under the boards last week.

And an important one it as. Not only did they snap was. Not only did they snap a 10-game winning streak of Riverside, 64-61, but the Falcons also captured a share of the Tri-River Conference lead. Tonight's game with Southgate is seen as a key contest in Grove's bid to stay on top. Both hold 1-0 league records and either could wind up first, pending the outcome of the North Parmington-Riverside game tomorrow night.

THE GAME LAST week offered thrils appenty for Grover parti-sans as the Falcons built up leads only to see them nibbled away by the stubborn Riverside quintet.

The score was all knotted up at the first quarter break. Groves managed a 35-27 margin at the halfway point, but Riverside caught fire, tossed in 24 points, and it was a new game at the end of the third period, 51-51.

THE LOSRRS took a three-point lead with about four minutes left in the game but the Falcons stuck to their strategy of "staying with the pattern" until they got a good shot and it paid-off. Kokones tossed in nine charity throws during the game and the two most important came in the last minute. He wound up with 19 points for the night.
