Deadline Nears

The deadline for obtaining 1962 auto license plates is near. Residents of Michigan have until Feb. 28 to obtain new plates for their cars. They are urged to get them soon so they avoid waiting in line during the last minute rush.

Foreign Meals Pose Problem For CH Staff

Telephone requests for information about such things as "Wienco Toote", "Mon la Hingyo", and "Miookha", are keeping personnel at the Birmingham Community House busy these days.

"This comes at a time when we are all deeply involved with preparations for our March 1-15 fund drive," reports Rand Ostradnik, executive director of the Community House.

The strange sounding names are not those of speakers scheduled to appear or of new dishes being taught. They are names of items of the foreign dishes that have been served at the house just before showings of George Perrot's World Adventure Series films.

GOP Chairman Cites Romney's TV Compliment

"Oakland County Republicans are pleased to have been singled out nationally as a party responsive to citizen control," GOP County Chairman Charles L. Lyle said following the telecast of NBC's Meet The Press last week.

While being interviewed on the television show last Sunday night, Michigan GOP governor hopeful George Romney called Oakland County "a county where the Republican Party is responsive to citizen control, where there are thousands of participating individuals who finance it and shape its programs."

Lyle, 18850 Hillcrest Blvd., Birmingham, was elected chairman of the Republican Committee of Oakland County last fall.

"MR. ROMNEY'S compliment concerning the Oakland County Republican Party's philosophy of citizen participation is most gratifying," Lyle said. "We have strived to make our organization one in which the citizen has an opportunity to play a major role."

"As a successful Michigan Constitutional Convention candidate and the Republican ticket for Oakland County last year, Mr. Romney has seen from actual experience how individual county citizens not only contribute financially to the party organization but to the actual formation of its programs.

"Now that Mr. Romney has enthusiastically that a man of Mr. Romney's stature and national reputation not only lives in our county but is an active member of our organization," Lyle concluded.

"ALTHOUGH I AM NOT in a position to commit the Republican Committee of Oakland County before the primary to Mr. Romney's campaign, I do want to make it clear that we are extremely enthusiastic that a man of Mr. Romney's stature and national reputation not only lives in our county but is an active member of our organization," Lyle concluded.

Parking Meter Revenue Increases, Chief Says

Parking meter revenue for the week of Jan. 19-25 showed a substantial increase over the same period last year, Chief of Police Ralph W. Moxley told city commissioners in his report Monday night on the quarterly parking meter survey.

Moxley said that "although the number of meters increased from 976 last year to 1,115 this year, the average per meter also increased due in four of the five parking meter zones."

He said the "parking demand on N. Woodward has been increasing gradually as the area continues to develop."

MOXLEY SAID the most demand for parking has arisen in an access drive between Municipal Parking Lot No. 6 and Oak St., but "the street meters apparently accommodate the overflow in parking demand."

The chief said the demand for parking has declined on Brownell Street.

"Further study," he said "may indicate that removal of parking would be desirable in expediting the flow of traffic so it could bypass the Maple-Woodward intersection."

CITY MANAGER L. R. Gare pointed out that there has been a "tremendous increase" in the use of the meters in the lot behind Denery's.

"This is the first time," Gare stated, "that any lot has approached the revenue of Lot No. 1, which is our best revenue producing lot."
