

Franklin Association Plans Skating Night

FRANKLIN — Weather-saturated and heating South, the Spartans spirited ones polish the blades on their skates and head for the Ice Land Skating rink tonight from 8 to 10 for a whirl at figure-eights.

Mr. and Mrs. William Madalin of Hershbyville are official hosts for the sponsoring Franklin Community Association.

Some minor red tape has postponed the Court of Awards planned by boy scout Troop 1011, at least until March 12. With two and possibly three Eagle awards to highlight the event, troop leaders want everything to be in good order for the event.

The Franklin Garden Club will meet Thursday at the Evelyn Avenue home of Mr. and Mrs. Ted Brvlin.

Osteopath Gets Jackson Term In Drug Charge

BLOOMFIELD TOWNSHIP — Dr. Bernard W. Weiss, township osteopath, was sentenced last Wednesday to two to 10 years in Southern Michigan Prison at Jackson.

Dr. Weiss was convicted of illegally obtaining drugs.

THE 42-YEAR-OLD doctor, who lives at 1135 Charrington, also faces examination Monday on charges of manslaughter by abortion.

The sentence was passed in Detroit Recorder's Court by Judge Arthur G. Koscincki.

Livonia Municipal Court will hold the manslaughter by abortion examination. The charge resulted from the death of Mrs. Dorothy (Porter) Ingle, 37, of Madison Heights.

tween the Pontiac city limits and Commerce Rd should write John W. Knecht, Jr., Director of Public Hearings, Michigan State Highway Department, Lansing, before March 5.

Knecht said an official record of a hearing would be reviewed by Highway Department and Bureau of Public Roads officials before final details of the project are approved.

OTHER IMPROVEMENTS proposed for M-218 include:

- Widening and paving between Commerce Road and a point just northeast of Walled Lake Drive in Walled Lake, a distance of nine miles, to provide two 11-foot wide lanes.
- Widening to four lanes and paving of two-tenths of a mile just north of Walled Lake Drive. This project also includes curb and gutter and is between two short sections that were widened to four lanes in 1960.
- Widening and paving of three miles of highway between Walled Lake Drive and a point just east of the railroad tracks in Walled Lake to provide two 11-foot wide lanes.
- Widening to four lanes and paving from the west junction of Wikom Road and Pontiac Trail east for one-tenth of a mile in Wikom. Curb and gutter also will be built in this section.
- Widening and paving from the Pontiac Trail south for three-tenths of a mile to provide two 12-foot lanes.
