

Have Telephone Headset — Will Travel

THE BUSY SIGNAL never daunts Mrs. Joseph Smith Jr. whose five children and multiple chores, at her home on Ardmore Drive, supply her hands with tasks while she talks on the phone. Since acquiring her telephone headset, Mrs. Smith has discovered that many household activities can be accomplished while she orders groceries, confers with her husband or just plain chats with friends.

ON THE OTHER HAND, she can get the latest civic news from Beverly Hills—which she covers as a Birmingham Eccentric correspondent. Meanwhile, the youngsters at the table needn't wait for a morning "cool-down."

WITH HIS mummy all wired for sound, young "Tipper" Smith has nothing but a contented coo to say for the business of getting dressed. While she wrestles with the young gentleman's wiggling foot, Mrs. Smith uses her private "walkie-talkie" to engage a baby-sitter. After that, Tipper has a few things he wants to talk about, starting with food.

Pontiac Unit Wins Honors At Naval Base

The Pontiac Navy League sea cadet unit came in second in the competition for the Admiral Forrestal Trophy in the recent annual North Region Corps Encampment at the Great Lakes, Ill. naval training station.

The group won the athletic trophy and also won honors as the outstanding division in commission for one year or less, however.

In command of the unit is Cmdr. Albert E. Lusk, USNR, 7686 Barnaby, West Bloomfield Township.

Cmdr. James M. Hannan, USNR (ret.), 344 Yarmouth, Birmingham, went to the training station to watch the competition.

"The boys were really terrific," he said. "They were competing against veteran sea cadet divisions, some of them in commission for several years."

It could easily be in your driveway!

What motorist wouldn't happily trade circumstances with this delighted gentleman? For this is his first Cadillac—and its arrival in his driveway has occasioned almost as much excitement in the neighborhood as it has in his own home. But if you appreciate his good fortune—then envy him also his wisdom. For he has, without any question, made the move to the "car of cars" at the ideal moment. He discovered, for instance, that the Cadillac Coupe is now priced below eleven models of other less desirable cars. Furthermore, he found that most of the features he wanted—power steering, power braking and Hydra-Matic drive—were included in the initial price of a Cadillac. And he has already had a hint of other Cadillac economies. The gasoline gauge has barely budged off the "full" mark and the car is so quiet in motion that he knows he can drive it with pride for years to come. Yet, he'll be in for a happy surprise when the time does come to sell it. For a Cadillac can be expected to retain a greater portion of its value than any other motor car. So if you have a Cadillac in your heart—then let us show you how quickly and easily we could put one in your driveway. Come see us at any time.
