# Student Practices German During Journey in Europe

By ELIZABETH YATES  
MI 4-1682

Nigel Lock, a student at the University of Michigan, hid his parents, Mr. and Mrs. Douglas Lock, Avonhurst Drive, goodby on June 20 and left for a summer in Europe.

Nigel has been studying German at the university and plans to put it to use when visiting friends in Cologne and on his tour of Frankfurt, Stuttgart, Munich and journeying on the Rhine. His itinerary also includes Zurich, Geneva, Copenhagen, Amsterdam, Brussels, Paris and London. He will return home the first week in September.

A TOUR of New York city is in the planning stage for the Leiland Morgans of Chestnut Hill Drive for the latter part of July. Their proposed trip includes a yacht cruise around Manhattan Island, and tours of Upper and Lower Manhattan, the Radio City Music Hall, United Nations Building and Freedom Land. A "night on the town" and a performance

of the "Sound of Music" will highlight their five-day stay.

**THE AL BAUMAN family** of Rouge Circle Drive spent their 10-day vacation visiting relatives in the East. Among their stops were Scotts Plains, N. J., where Mrs. Bauman's parents, Mr. and Mrs. Frank Bartholomew, reside and Point Pleasant for a visit with Bauman's mother, Mrs. Al Bauman.

After their return home, son Greg, 15, was asked to display his science project at Calo Hall for the Freedom Festival. His project, "The Effects of High Frequency Radio Wave on the Growth of Bacteria," was awarded first prize for the ninth grade at the Metropolitan Detroit Science Fair this spring. Greg was also presented with a special award from the Michigan Heart Association recently for his accomplishment.

# Local Girls Take Off for Camp Cavell

The WYCA's Camp Cavell on Lake Huron, near Lexington, Mich., was buzzing with excitement and filled to capacity last Friday with the arrival of 142 girls for the second two-weeks camping session.

On hand to show them around were 22 girls who had attended Cavell's first session and are remaining through the second. Immediately, the new girls explored the lovely beach where they would swim every day, visited the stables to be introduced to the horses they would ride, and decided what other sports and crafts they wanted to learn.
