

Open House Opens Season

Mr. and Mrs. Peter Good and Mr. and Mrs. Phil Detwiler (from left) were among throngs of Birmingham Athletic Club members who attended an open house at the club Saturday night marking the beginning of the summer season and honoring new club manager Harold Alexander and his wife. Incidentally, sad note for their many friends here is news that the Detwilers are about to move to Seattle, Wash.

The Osage Garden Club will sponsor a garden party and straw market on the Windrush Drive grounds of Mrs. N. D. Reiss on Tuesday, from 11 a.m. to 4 p.m.

A natural wooded area, scattered with a variety of wild flowers, will be the setting for refreshments. Those attending will stroll through the peony and

iris garden, inspect the Arizona rock collection of the Reisses and shop at the straw market. Among the items to be found at the market will be glamorous, conical and whimsical straw hats, straw bags, tote bags, slippers, garden gloves and accessories, burlap mats and cloths.

ALL THE OSAGE members have been working to benefit the club's scholarship fund. Donations

may be made through any member on the Reiss grounds, at the corner of Charwood and Windrush drives. The public is invited to attend. In case of rain, it will be held the following day.

A GROUP of Birmingham Musicales members chartered a bus for a gala evening on May 25. Their first stop was the opera La Forza Del Destino. The bus then returned to the Bloomfield

Hills home of Mrs. Richard Ruppel for an "after glow" party.

Attending from the North Adams area were Mrs. Charles E. Fisher of S. Evansdale Road, Mrs. Theodore Hale of Derby Road, Mrs. Edgar Ebersole of Adams Road, and Mrs. Robert Boger of Hickory Heights Drive, Mrs. Earl Cannon of Suffield, Mrs. Douglas Witters of Kirkshire and Mrs. Betty Frost of Birmingham Drive.

FOREST LAKE Country Club was the setting for the Charing Cross Estates spring dinner dance on Friday evening. More than 45
