Area Graduates Named Princeton Team Captains

Two Cranbrook High School graduates were named captains in Princeton Universities freshman spring sports program recently. Jeffery R. Fisher, elected to lead the 150 pound Tiger rowing crew, rowed at stroke position for the Princeton light-oil freshman this year as well as last year. Fisher captured both the football and tennis teams at Cranbrook, where he was also class president.

TOD C. Williams is the new Princeton track captain. He captained the track team at Cranbrook and took part in football, basketball and wrestling there. Williams was also president of the Glee Club at Cranbrook and served on the student council. He played tackle for the Tiger football team last year and was a standout hurdler for the thinlinead squad this year as they won 6, lost 1. Ironwood is as far west as St. Louis, Missouri; Hancock is farther north than Montreal, Canada; and Port Huron is as far east as Greenville, South Carolina, or Asheville, where he was also class president.
