Barnum Trojans

By JIM BOUSE
Special Writer

The annual spring concert presented by the Barnum instrumental music department, was held at 8 p.m. in the Barnum gym May 21. Bands I and II and the orchestra performed under the direction of Mr. Hanson and Mr. Bartlett.

One of the most enjoyed numbers on the program was Band I and II encore "Joshua", an almost revival type spiritual that kept everyone busy. Another highlight was the Beethoven Sonata played by pianist Sue Wheatley.

There was a full house throughout the concert even though people were coming and going throughout the program. The concert was enjoyed by all and is being looked forward to for next year.

Camera Equipment Stolen from Car

BEVERLY HILLS—An estimated \$1,051 worth of camera and equipment was stolen from a car belonging to Dr. ELVIS D. FINCH, 32250 Beverly. Dr. Finch told police he believed the articles were taken last weekend.

The physician said the theft could have taken place while his car was parked in the driveway of his home or while he was making two home calls in Detroit.

Derby Dragons
By GREG BAUMANN
Special Writer

The annual ninth grade party, called "Here We Go Again" was held last Friday evening. The festivities included swimming, a student-faculty baseball game, and dancing with Joe Sebastian as disc jockey.

With school out for the summer a number of students are planning to attend summer school for advanced credit or review.

This year 100 of Derby's ninth grade students will be taking driver training, a non-credit course being offered at Seaholm High School this summer. Other classes being taken by students from Derby include Algebra I, typing, world history, geometry, and biology.

SUMMER SCHOOL at Seaholm will begin on June 18th this year. Derby's ninth grade student have been asked to report to their homerooms tomorrow between 10 and 11 to pick up their report cards.

Mr. Ford, the teachers, and the office staff would like to wish everyone a safe and pleasant summer.

General Motors Corporation dividends since 1915

General Motors derives around 90% of commercial sales from automotive products. The Frigidaire-DeLo appliance-Alison-Diesel Electro-Motive and Euclid divisions contribute most of the remaining 10%. In 1961, defense work including missile activity contributed approximately 31% of sales. The company operates as a decentralized organization with about 130 plants in 19 states, 5 plants in Canada, and assembly—manufacturing and warehousing operations in 19 other countries.
